Contemporary Reconfigurations of American Literary Classics Betina Entzminger,2013-03-05 The number and popularity of novels that have overtly reconfigured aspects of classic American texts suggests a curious trend for both readers and writers an impulse to retell and reread books that have come to define American culture This book argues that by revising canonical American literature contemporary American writers are re writing an American myth of origins creating one that corresponds to the contemporary writer s understanding of self and society Informed by cognitive psychology evolutionary literary criticism and poststructuralism Entzminger reads texts by canonical authors Poe Hawthorne Melville Alcott Twain Chopin and Faulkner and by the contemporary writers that respond to them In highlighting the construction and cognitive function of narrative in their own and in their antecedent texts contemporary writers highlight the

fact that such use of narrative is universal and essential to human beings This book suggests that by revising the classic texts that compose our cultural narrative contemporary writers mirror the way human individuals consistently revisit and refigure the past through language via self narration in order to manage and understand experience **The Art of Peace and Relaxation Workbook** Brian Seaward,2011-08-05 This workbook contains over 130 exercises in the form of surveys questionnaires inventories and journal entries to help students make some or all of these stress reducing skills part of their daily routine and achieve balance Available in print and electronically as an Express PDF Hawthorne's Romances Robert S. Friedman,2014-02-25 First Published in 2000 Throughout the nineteenth century the study of geometry remained at the core of educational curricula in the United States strongly affecting how educated Americans construed their world This book examines how each of Nathaniel Hawthorne s romances presents a different geometric figure that becomes representative of the work s themes and narrative designs These geometric figures when approached from the perspective of Victor Turner s symbolic anthropology server as cultural mediators combining geometric symbology with a unique narrative perspective to offer metaphors of personal and cultural boundaries Freidman presents the literary text as the point of intersection among such disciplines as cultural anthropology history mathematics and American literature **Canadiana** ,1962 *CliffsNotes Praxis II English Subject Area Assessments, Second Edition* Diane E Kern,2013-02-25 Your guide to a higher score on Praxis II English Subject Areas The Praxis II English Subject Area Assessment tests are designed to assess whether an examinee has the broad base of knowledge and competencies necessary to be licensed as a beginning English teacher in a variety of school settings The various exams some multiple choice questions and some essay format cover reading and understanding text language and linguistics and composition and rhetoric CliffsNotes Praxis II English Subject Area Assessments includes question type reviews subject reviews and six model practice tests for each of the Praxis II English tests that a variety of would be English teachers need to pass to be certified Includes subject reviews of all test topics 6 practice tests one for each Praxis II English test Proven strategies from the experts at CliffsNotes If you re an aspiring teacher looking to take the Praxis II English test CliffsNotes is your ticket to scoring high at exam time **Answering Chief Seattle** Albert Furtwangler,2011-10-01 Over the years Chief Seattle s famous speech has been embellished popularized and carved into many a monument but its origins have remained inadequately explained Understood as a symbolic encounter between indigenous America represented by Chief Seattle and industrialized or imperialist America represented by Isaac L Stevens the first governor of Washington Territory it was first published in a Seattle newspaper in 1887 by a pioneer who claimed he had heard Seattle or Sealth deliver it in the 1850s No other record of the speech has been found and Isaac Stevens s writings do not mention it Yet it has long been taken seriously as evidence of a voice crying out of the wilderness of the American past Answering Chief Seattle presents the full and accurate text of the 1887 version and traces the distortions of later versions in order to explain the many layers of its mystery This book also asks how the speech could be heard and answered by

reviewing its many contexts Mid century ideas about land newcomers ancestors and future generations informed the ways Stevens and his contemporaries understood Chief Seattle and recreated him as a legendary figure Occidental Ideographs
