

THE GHOSTLY PLAYGROUND

Reading Comprehension

Read the following text and answer the questions below.

In the heart of a small town lies a playground that takes on an otherworldly charm as the sun sets and the stars twinkle overhead. This is no ordinary playground; it is the Ghostly Playground, a place where the laughter of spectral children is said to fill the air during the stillness of the night.

The legends tell of an old oak tree that stands sentinel at the entrance of the playground, its branches casting eerie shadows in the moonlight. As the clock strikes midnight, the playground comes alive with the sound of children's laughter and the soft rustling of swings swaying in the night breeze.

One tale recounts the story of Lily, a young girl who lived in the town many years ago. Lily, a playful spirit in life, is said to have become a guardian of the Ghostly Playground after her passing. According to the legend, Lily's laughter can be heard as she swings on the swings, her joyous giggles echoing through the night.

Locals, although initially cautious, have come to accept the spectral presence in the playground. Some claim to have glimpsed faint apparitions swinging on the swings or playing on the merry-go-round, their transparent forms visible only in the moonlight.

Despite its ghostly reputation, the Ghostly Playground has become a symbol of community unity. Residents often gather on warm summer nights to share stories and reminisce about their own childhood memories of the playground. The laughter of the ghostly children is seen as a reminder of the innocence and joy that transcends the boundaries of life and death.
