School Improvement Principals Manual:

Handbook of School Improvement Jo Blase, Joseph Blase, Dana Yon Phillips, 2010-03-30 Learn how successful principals make a difference in their school's performance Based on a ground breaking study and numerous firsthand accounts this illuminating book captures unique perspectives from 20 outstanding principals representing a wide range of urban and rural schools This resource includes The nine personal characteristics that help principals lead high performing schools Practical strategies for balancing both administrative responsibilities and instructional leadership Guidance on using a systems development approach to support excellence at every level Discussion of the use of research and data for school improvement Tips and suggestions from effective principals along with recommended resources for further learning The School Improvement Planning Handbook Daniel L. Duke, Marsha Carr, William Sterrett, 2012-12-27 Developing and updating school improvement plans is an annual ritual for virtually all school principals and their school improvement committees Still large numbers of schools continue to produce disappointing outcomes The authors believe that part of the problem is the result of plans that focus on the wrong targets and that rely on ineffective strategies for improvement To help principals and their school improvement committees develop and implement plans with a greater likelihood of success the authors offer a step by step process for school improvement planning They go on to pinpoint specific school improvement goals including raising reading and mathematics achievement building robust school cultures addressing the needs of English language learners improving instruction and reducing absenteeism and dropouts For each goal a variety of objectives and proven strategies is presented along with sample school improvement plans The book addresses the differences in planning to turn around a low performing school planning to sustain improvements over time and planning to move a good school to a great school **Handbook on Restructuring and Substantial School Improvement** Herbert J. Walberg, 2007-08-01 Published in cooperation with The Center on Innovation Improvement As suggested by the title the purpose of this Handbook on Restructuring and Substantial School Improvement is to provide principles for restructuring and substantially improving schools Sponsored by the U S Department of Education the Center on Innovation Improvement CII engaged leading experts on restructuring and school improvement to prepare modules for this handbook to assist states districts and schools in establishing policies procedures and support to successfully restructure schools The Handbook is organized into three sections The topic of the Handbook's modules restructuring with a focus on the district as the impetus for dramatic improvement is relatively new in the nation's education history For this reason the module authors were selected because they are highly experienced experts in their fields and can be counted on to judiciously weigh the less than definitive evidence and to state useful guiding principles **School Improvement Planning** Ontario.
