Omega Conspiracy Ide Thomas:

The Omega Conspiracy Isaac David Ellis Thomas, 2007-12 Do we ever learn from history What were the conditions on Earth that resulted in its destruction except for Noah and his family What are the conditions on Earth Today Will history repeat itself in our lifetime Dr I D E Thomas reveals similarities between the past and present and arrives at a startling conclusion the recent burgeoning of demonic activity is our proof of our proximity to the last days and to the mightiest power encounter of all history The sons of God are on a collision course with the Saints of God and we may well be witnessing the opening scenario in the final battle the unfolding of The Omega Conspiracy **The Omega Conspiracy** I. Thomas, 2007-12 Do we ever learn from history What were the conditions on the Earth that resulted in its destruction except for Noah and his family What are the conditions on the Earth today Will history repeat itself in our time I D E Thomas reveals startling similarities between the past and today between ancient peoples and modern peoples signs that point to a return of mysterious beings known in the Bible as Nephilim The Omega Conspiracy could well be their final battle Paranormal Nation Marc E. Fitch, 2013-03-21 This thought provoking study of paranormal phenomena traces the impact of supernatural beliefs on popular culture and conversely examines the influence of new communication technologies on research being conducted in the field Did you know that interest in UFO research increased during the 1960s as a result of the Kennedy assassination Or that America experienced a Satanic Panic in the 1980s that culminated with the longest most expensive court trial in American history This book reviews the history economy and community of paranormal research in this country and considers the deeper meaning behind the philosophies and theories surrounding the industry Paranormal Nation Why America Needs Ghosts UFOs and Bigfoot explores the events that have defined paranormal belief systems today From the birth of religious doctrine to European witch hunts to the increasing popularity of the supernatural in American television programming the author examines the past and present conditions that have fueled interest in the unexplained and considers what this trend means for modern day America **The Strong Delusion** John W. Milor, 2017-02-20 John Milors fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth a deception so intense that only those with a genuine love relationship with God will be able to endure it Events from the authors own life including a series of supernatural encounters have revealed some key components of this strong delusion which he believes will initiate a grand display of open contact with extraterrestrials It will also involve the global rise of Islam Its no mistake that the faiths of four billion people Christians and Muslims include two versions of prophetic visions that are nearly identical yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon This book delves into myriad topics including Encounters with angels otherworldly beings and Jesus Christ Encounters with demons ghosts nephilim jinns and mythical creatures The Bibles explanation of ET good guys and bad guys The Quran and Hadiths ET connection Was Muhammad abducted as a boy and operated on Was the angel that abducted Muhammad really Gabriel Were the mysterious jinns of

Islam actually surviving nephilim Is the Quran and Hadiths ideology specifically tailored for the Antichrist These and other topics harken to ancient times and peer into a not too distant future when the author believes we will see a return to the days of Noah as prophesied by Jesus

The Unholy Deception L. A. Marzulli, 2002 The Cadre claims to have Christ's body preserved and hidden in an ancient tomb For journalist Art Mac Mackenzie the scenario smacks of an alien agenda He determines to unearth the truth at any cost But the Cadre doesn't surrender its secrets easily Mac's former editor Jim Cranston has been found wandering among the ruins of Machu Picchu with burns on his body and in a constant state of fear Worse yet General Roswell Mac's inside connection in the secret government alien cooperative is dead of cancer However Roswell has left behind two potential bombshells a set of files with far reaching implications and a link to the aliens that he has kept secret for years With Mac hot on Roswell's trail the Cadre moves forward with its agenda to convince the world that Jesus was just an ordinary man granted miracle working powers by the aliens The Cadre must be stopped before they can publicly unveil the fraudulent body of Christ an event that could precipitate a global and apocalyptic shock wave Mac is swept into a race against time in which losing is not an option but winning could cost him all

There Were Giants on the Earth in Those Days... and Also After That Roberta Sams, 2015-01-26 What I appreciate about *There Were Giants on the Earth in Those Days and Also After That* is that it is not only intelligible but is enjoyable to read It doesn't require the reader to know a lot about eschatology but provides them a learning experience as the author has done extensive research and study to uncover the mysteries of the Bible which has all the answers It tells what is going to happen in the future The book deals with how Lucifer was cast out of heaven when he rebelled against God and how sin first entered into the world in the garden of Eden It shows how Satan has battled against God and His plan to provide salvation through faith in Jesus Christ Subjects like giants in the land the flood false religions Islam secret societies UFOs and others are discussed The Federal Reserve and HAARP by which they are trying to control the weather the Rapture the new world order the mark of the beast and the Antichrist are all dealt with according to the Word of God I recommend the entire book be read in order to experience the benefits of the author's laborious efforts to cover the past the present and the future of our world Rev David Lathrem associate pastor Lee Boulevard Baptist Church

The Impact of the Book of Enoch on Christianity and Other Religions Dr. Randy Delp, 2017-03-31 Considered an expert about the Book of Enoch Dr Randy Delp has put together an analysis of this ancient book to explain why Jesus and the New Testament writers were not only influenced by the Book of Enoch they quoted its contents cited its texts and labeled it Scripture The teachings of Enoch have influenced every major monotheistic religion including Islam Judaism Christianity and Zoroastrianism and vestiges can be found in Hinduism and other ancient religions The footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled Enochs influence in astronomy history religion education and para psychology has forged how society thinks today It is significant to note that the prophet named Enoch who was born seven generations after Adam and Eve may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him

alpha to omega from the beginning to the end Dr C E Fabray, 2012-04-08 This book is ambitious in its scope and in the course of over 400 pages it begins with the creation of the Universe and ends when all time and space ends in a singularity Read the book to find out why the Universe was created and what happens to man after death Are the atheists right and there is nothing but extinction or is there a better hope and an eternal future Was Adam and Eve ejected from the Garden of Eden because they ate the wrong piece of fruit Why was it necessary to kill all living people and creatures with a worldwide Flood bar one family Did God really tell the Israel nation to kill all the men women and children in Canaan How can Jesus Christ be God incarnate who is eternal when he dies on the cross How can all Christians go to heaven What happens after the Kingdom of God is established in the New Heaven and New Earth The spiritual messages contained in this

book answer all these questions and much more with full notes and references for each section of the book **Those Terrible First Hours** Robert Carr,2017-05-19 Everyone knows the characters of the cartoons Scooby Doo Where Are You and Johnny Quest In both of these cartoons the characters did that which was right without expecting anything in return a far cry from what we have today Even though we have many working for the common people of the nation we have far too many who work for themselves Even though I have the hope in Christ Jesus I think that the media has done a good job showing that Donald Trump has an ego the size of Texas But I feel that they do not know what to do with Hillary Rodham Clinton and therefore do not know how to criticize her Furthermore I don t think that it matters who gets in because I think they will be like the second Herbert Hoover **‘SECRETS OF ENOCH’ INSIGHTS from the 2nd Book of Enoch** SN Strutt,2024-06-21 SECRETS OF ENOCH INSIGHTS is a sequel to my first INSIGHTS books published in 2018 which was called ENOCH INSIGHTS and was based on the 1st Book of Enoch The Secrets of Enoch Insights is based on the 2nd Book of Enoch Both these books go together like hand and glove The 2 books complement each other as I am sure that Enoch himself originally intended My INSIGHTS books are designed to take the original text of the ancient Hebrew books and make them much easier to understand with definition of words There are many comments and commentaries along with cross bible verses You will find verses in this book showing what it also said in 1st Enoch when dealing with a similar topic I now have published 9 INSIGHTS books based on either ancient Hebrew books or Apocryphal books which were also originally written in Hebrew then translated into Greek around 100 300 BCE and then Latin then as in the case of this Slavonic translation finally into English There are many amazing things written by Enoch of old in this book There are truths which expose the status quo of modern thinking This book describes PRE CREATION and how God allowed both the LIGHT and the DARKNESS for an important purpose This book also shows that the Holy Spirit is in fact female just like in the Book of Proverbs All ancient Hebrew books attest to the Holy Spirit being feminine **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their

old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions
