Members Vs Men - ANSWER Members Versus Men

Bro. Walter H. Mazyck

The Greek Letter Societies among our group appear to have entered into a period of mad competition for obtaining members. Pledges are increasing in numbers. Scarcely a student on the college campus but wears a pledge pin or a frat pin. Are the fraternities forgetting their original high standards? Can it be said that every man who enters college is of Fraternity material? If in any place, Omega has entered this mad race for members, pause and consider.

The result is a book that uniquely connects the 1910s with the present, showing the ongoing power of a Black fraternal organization to channel its members toward social reform.

[Intro to Biblical Greek Scope of Course](#)

Intro to Biblical Greek is an elective course that lays the groundwork for further study of the language. The course is appropriate for middle school and high school students, though middle schoolers may find it a strong challenge. The purpose of the course is to simplify many of the basic concepts of biblical Greek and give you an edge should you continue with more advanced studies of the language. This is not structured as a typical language course. It is essentially a starter kit that will get you reading and understanding biblical Greek. It will not give you a daily lesson on pronunciation or practicing verb conjugation but is instead designed to give you a working knowledge of biblical Greek, not a specific mastery of it.

[Course Description](#)

This video-based learning program is a basic introduction to biblical or Koine Greek. Complete a flexible course that includes suggestions for lesson schedules depending on how extensive you want the course to be. Student worksheets, practice sheets, quizzes, answer keys, and suggested ongoing resources and projects to enhance learning are included in this study guide. You will discover:

- The Greek alphabet
- Punctuation and how it's used
- Nouns, verbs, voice, and moods

Be inspired to love the Savior more as you grasp the Bible's message more clearly.
