Omphile Umphi Modise D. P. Semakeleng Monyaise, 1971 *Omphile umphi modise* D. P. Semakeleng Monyaise, 1984

The Social and Political History of Southern Africa's Languages Tomasz Kamusella, Finex Ndhlovu, 2017-11-21 This book is the first to offer an interdisciplinary and comprehensive reference work on the often marginalised languages of southern Africa. The authors analyse a range of different concepts and questions including language and sociality, social and political history, multilingual government and educational policies. In doing so they present significant original research ensuring that the work will remain a key reference point for the subject. This ambitious and wide-ranging edited collection will appeal to students and scholars of southern African languages, sociolinguistics, history and politics. **Literatures in African**

Languages B. W. Andrzejewski, S. Pilaszewicz, W. Tyloch, 1985-11-21 Although African literatures in English and French are widely known outside Africa, those in the African languages themselves have not received comparable attention. In this book a number have been selected for survey by fourteen specialist writers providing the reader with an introduction to this very wide field and a body of reference material which includes extensive bibliographies and biographical information on African authors. Theoretical issues such as genre divisions are discussed in the essays and the historical social and political forces at work in the creation and reception of African literature are examined. Literature is treated as an art whose medium is language so that both the oral and written forms are encompassed. This book will be of value not only to readers concerned with the cultures of Africa but to all those with an interest in the literary phenomena of the world in general.

Comparative Literature and African Literatures C. F. Swanepoel, 1993 *Omphile Umphi Modise* Gaamele Francina Moepi, 2013 This study examines D. P. S. Monyaise's short story titled *Omphile Umphi Modise* which were scrutinized by Mogapi 1992, Pretorius 1990, Manyaka 1992, Shole 1997 and Malimabe 1998. Their investigation did not only focus on the content of the short story but also concentrated on the structure and style of the author. When scrutinizing *Omphile Umphi Modise*, the focus mainly falls on content and characterization of the characters. This research is based on an adopted narratological model which is used by Groenewald 1993 and Mojalefa 1994. When investigating the content, emphasis is put on the topic as a theme and part of the plot which is imperative in the analysis of *Omphile Umphi Modise*. Two terms which are to define and describe are used to explain and unravel ideas that were used by the writer to simplify the problems a reader would encounter in this investigation. When analyzing the content as theory, the following four elements are noticed: characters, events, time and place. Another important aspect on the level of content is the division of the characters into two subgroups, namely quarrelsome and kindhearted. In *Omphile Umphi Modise*, the kindhearted is Motlalepule while the quarrelsome is rraModise who blatantly refuses to see Motlalepule's good side. These two characters are described by the following intention: patronage, abilities, success and resistance. The investigation explains that the theme which is keeping a secret can lead to one's doom is the one that connects the events and the plot with the intention of highlighting the message.

to attract the reader Design is one of the most important aspects of the plot It is herewithin divided into two sections which highlight the characterization of the protagonist and antagonist as well as the revelation of the aspect of tragedy in Omphile Umphi Modise The characters are divided into two sections namely main and minor characters The main characters are the protagonist the antagonist and the tritagonist The antagonist in Omphile Umphi Modise is rraModise Mosimane yo o tedu tsebeng tedu tsa katse who is portrayed to be evil because he mandated Thandi a minor character to put drugs in the tea Motlalepule was about to drink and sadly ended up drinking it herself After she was drugged mosimane yo tedu tsebeng tedu tsa katse raped and impregnated her The writer uses techniques to explain the personality traits of the characters He employs a distinguishing technique to highlight personality traits of Motlalepule which are beauty misfortune suffering and poverty These are explained by the following techniques focus differentiation conflict use of the possessive use of the adjective form point of view use of diminutive form exaggeration use of the pronoun use of idioms proverbs and similes and omission Differentiation is employed to highlight leadership as a personality trait of the antagonist mosimane yo o tedu tsebeng tedu tsa katse rraModise is which is explained by two techniques indicative mood and point of view
