

"Intertwined "

Intimacy

In-To-Me-See.

Trusting you enough to reveal the
real me.

Knowing you won't walk away
but stay.

No fear, you're not afraid to find the
inner woman

I struggle to hide.

As I reveal more, you open the door
to your heart.

Showing who you really are.

Trusting me to hold on

Never letting go.

Your heart, I carry deeper inside mine.

Intertwined.

On My Mind My Poetry Reflections:

On My Mind Linda O'Dell, 2014-11-19 On My Mind is a collection of 35 poems on various topics that I had on my mind at the time they were written and wanted to share them I enjoy poetry and I hope you enjoy these **Poems of sentiment and reflection**, 1912 *Poetry Reflections* JB Frost, 2020-09-27 155 Poems A reflection is a distorted rendition of that which casts the reflection A reflection is a mirrored image that defies the physics of its counterpart A reflection is a chance to appreciate something in a different light I have previously released books 1 2 for my From the Mind Imagination of J B Frost series but something wasn't right As I looked back on the content and the timing I realized I had to assemble a better assortment of my poetry that would better appeal to the poetry market This E Book edition of Poetry Reflections contains many of my poems from my first two books and several new ones that were originally slated to be in book 3 of my earlier mentioned series In my study of poets through the ages I've learned that most had written things that never made it to print or put out for public inspection and or approval I had taken a more daring road in my first two poetry ventures and included just about everything I've written over the last few years I wanted a collection that best mirrors the more positive messages I've written I wanted a better representative of who I am as a writer and as a person I believe poetry is therapy and I believe we all can benefit from its sessions I hope you enjoy my work *Peace in My Mind* Kelly R. Jackson, 2009-04 Peace In My Mind is the third book from author Kelly R Jackson In this book he explores the many facets of the mental and spiritual sides that make us whole In the first half of the book this author offers humorous insight into things like why he isn't married his split personality the mind of man who's the boss in a marriage what a man's role should be in wedding preparation and things you don't do when visiting Eagle Colorado The second half of Peace In My Mind takes a more serious look at some issues facing our society The book shifts focus and explores the changes we've seen in our churches the changes we should seek within ourselves how we've allowed greed and selfishness to corrupt the black race and the difference in government aid for two great American tragedies 911 and Hurricane Katrina Peace In My Mind will make you laugh and make you stop and think It will also make you re-evaluate your life and your priorities through the words of a man that was simply thinking out loud once again Through his quest for peace in his own mind this author hopes to help you find peace in yours *Poems of Reflection* Jørgen Panduro, 2022-03-26 Poems of Reflection is a book in the poetry collection Pan Poetica which touches on different topics such as reflection concepts being emotions freedom beauty philosophy life behavior existentialism and phenomenology These could be topics that matter to most people to some degree and also are subject to debate as they usually encourage contemplation and reflection These topics could even matter more when they emerge in poems as a topic can be displayed very concentrated when in a poetic context The purpose of the poetry collection is to create reflections by putting words language and meaning into the world we live and act in with the phenomena that arises To obtain this purpose each poem is followed up by a few questions which can assist in further interpretation than your current one The questions

can be both philosophical thought provoking strange or existential For some they may seem challenging to answer as it might be difficult to grasp the meaning by the question in relation to the poem *na* ANGELA DWAMENA-ABOAGYE,
