Jennifer Schacker, 2015-03-26 Fairy tales and folktales have long been mainstays of children s literature celebrated as imaginatively liberating psychologically therapeutic and mirrors of foreign culture Focusing on the fairy tale in nineteenth century England where many collections found their largest readership *National Dreams* examines influential but critically neglected early experiments in the presentation of international tale traditions to English readers Jennifer Schacker looks at such wondrous story collections as Grimms fairy tales and *The Arabian Nights* in order to trace the larger stories of cross cultural encounter in which these books were originally embedded Examining aspects of publishing history alongside her critical readings of tale collections introductions annotations story texts and illustrations Schacker s *National Dreams* reveals the surprising ways fairy tales shaped and were shaped by their readers Schacker shows how the folklore of foreign lands became popular reading material for a broad English audience historicizing assumed connections between traditional narrative and children s reading The tales imported and presented by such British writers as Edgar Taylor T Crofton Croker Edward Lane and George Webbe Dasent were intended to stimulate readers imaginations in more ways than one Fairy tale collections provided flights of fancy but also opportunities for reflection on the modern self on the transformation of popular culture and on the nature of Englishness Schacker demonstrates that such critical reflections were not incidental to the popularity of foreign tales but central to their magical hold on the English imagination Offering a theoretically sophisticated perspective on the origins of current assumptions about the significance of fairy tales *National Dreams* provides a rare look at the nature and emergence of one of the most powerful and enduring genres in English literature **London Theatre Record**, 1991

boys put his foot on the edge and said that he cut it on the bottom and wanted me to look at it I walked over knelt down and that was it The boys pulled me in Clothes and all Thankfully it was dark out since I was wearing all white I cussed at them and tried to make my way to the shallow end where I could touch bottom Everyone was swimming around me and hands kept touching me under the water Then Matt says Wait a minute I want to talk to you for a second before you get out I was still over my head so I reached up and held onto the edge and waited for Matt to come closer He told his friends to swim on the other side because this was kind of private What was he up to Once he got to me he did the same by holding on the edge with one arm and then I felt his other hand on my tit He whispered that nobody could see under the water and I shouldn't make a scene I didn't move He started pinching my nipples He then told me to nod my head to make it look good and to also let him know if I was liking what he was doing I nodded yes His hand slid down to my ass I nodded again He then moved to the front and started rubbing my pussy I closed my eyes and nodded yes again His hands found their way inside my shorts and he shoved a finger deep inside I nodded yes again He began flicking my clit and I nodded again Matt was going to make me cum right here in front of his friends My breathing was getting heavier I wanted more He knew what he was doing and I was almost ready to cum and then this deep voice came out saying Carol what are you doing in the pool with your clothes on It was my husband Matt began to explain how his friends pulled her in He was still fingering me I was trying to pull away so we didn't get caught but Matt just kept talking to his dad while fingering his dad's wife When the friends started getting closer Matt finally pulled his hand out and I went to the end to climb out My husband helped me out and then gave me a towel to cover up with I couldn't look him in the eye He walked me back in the house and down to the bedroom so I could change When I took my towel off he was just staring at me He began telling me how sexy I looked all wet like that and that he could see everything through my clothes Then he walked up to me and began touching me like he hasn't in so long I tried protesting and saying that the kids were right outside but he said that they were all 18 and were probably having an orgy now that we were not out there He started taking my clothes off one piece at a time I was naked in no time I then helped him out of his clothes and when I pulled his pants to the floor I put his cock in my mouth He grunted and I started sucking hard He blew his load in my mouth almost instantly He then lifted me up and set my ass on the bathroom sink He knelt down and started licking my pussy Oh ya baby Lick it good I wrapped my legs around his head and pulled him closer He ate me until I started cumming He then stands up and sticks his dick in me I pulled him in with my legs and begged him to fuck me He was fucking me good and then he puts his hands under my ass and lifts me up and kept fucking me harder and harder I could barely breathe He then carried me over to the bed set me down and bent me over I kept picturing Matt in my head now He shoved his cock in me and was slamming me so hard I was screaming in pleasure He has never fucked me this hard before but I liked it Fuck me baby fuck me harder This was all he could handle his cum burst out and filled me up He pulled out and got us a towel to clean up with
