Once Upon A Childhood:

New York Magazine, 1985-04-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

A Study of IMAGINATION IN EARLY CHILDHOOD Ruth Griffiths, 2013-07-04 This is Volume IX of thirty two on a series on Developmental Psychology First published in 1935 this study looks at the development of imagination in children Which uses a method in which observation of the free behaviour of children plays the principal role but in which experimental technique is represented by a somewhat rigorous control of conditions by a discreet use of question and answer and by an emphasis on the necessity for accurate and full report while psychoanalysis at the same time contributes a depth of insight a realization of the importance of affective factors and an alertness for the significance of detail

Toys, Play, and Child Development Jeffrey H. Goldstein, 1994-06-24 Anything to do with children s entertainment is a source of controversy children s television programmes musical preferences and leisure activities are frequent sources of debate Toys and play are often singled out for attention particularly war toys sex typed toys and video games with aggressive themes Are these harmful to children Are they addictive Alternatively can parents facilitate children s learning with educational toys Toys Play and Child Development explores these and other questions Parental attitudes and reactions towards war toys are described as are the children s views themselves Toys and play are shown to contribute to the development of language imagination and intellectual achievement and to be effective in child psychotherapy

The World of the Edwardian Child Michael Tracy, 1998 The Vanderbilt Women Clarice Stasz, 2000-01-25 Lucius Beebe said that The nearest thing to a royal

family that has ever appeared on the American scene was the Vanderbilts their vendettas their armies of servitors partisans and sycophants their love affairs scandals and shortcomings all were the stuff of an imperial routine Stasz reveals new facts and insights into the fascinating lives of three generations of Vanderbilt women who dominated New York society from the middle of the eighteenth century through the twentieth Of special interest are the discovery of unpublished letters and a pseudonymous lesbian novel that shed light on the complex character of the most currently famous Vanderbilt woman Gloria Vanderbilt

Storytelling in Early Childhood Teresa Cremin, Rosie Flewitt, Ben Mardell, Joan Swann, 2016-12-08

Storytelling in Early Childhood is a captivating book which explores the multiple dimensions of storytelling and story acting and shows how they enrich language and literacy learning in the early years Foregrounding the power of children's own stories in the early and primary years it provides evidence that storytelling and story acting a pedagogic approach first developed by Vivian Gussin Paley affords rich opportunities to foster learning within a play based and language rich curriculum The book explores a number of themes and topics including the role of imaginary play and its dynamic relationship to narrative how socially situated symbolic actions enrich the emotional cognitive and social development of children how the interrelated practices of storytelling and dramatisation enhance language and literacy learning and contribute to an inclusive classroom culture the challenges practitioners face in aligning their understanding of child literacy and learning with a narrow mandated curriculum which focuses on measurable outcomes Driven by an international approach and based on new empirical studies this volume further advances the field offering new theoretical and practical analyses of storytelling and story acting from complementary disciplinary perspectives This book is a potent and engaging read for anyone intrigued by Paley's storytelling and story acting curriculum as well as those practitioners and students with a vested interest in early years literacy and language learning With contributions from Vivian Gussin Paley Patricia Patsy Cooper Dorothy Faulkner Natalia Kucirkova Gillian Dowley McNamee and Ageliki Nicolopoulou
