One Dollar Dirties English Edition:

Down and Dirty Kristine Mason, 2018-09-27 Former assassin Vlad Aristov traded his gun for a wrench and now works as a mechanic. Wanted by the U.S. government and Russian Mafia, he dreams of not only being an American citizen but a free man, which is a dream he knows will never be a reality. Paranoid recluse and daughter of cult leaders, schoolteacher Lucy Spencer longs for a normal life. Instead, she lives in fear, waiting for the day her parents will finally come for her. And when they do, she knows they'll have one thing on their mind: murder. After a repair job brings Vlad and Lucy together, the chemistry between them is undeniable. As their relationship grows, strange things begin to happen to Lucy. Believing Vlad was once a bodyguard, she turns to him for help. But that help comes with a price, especially when secrets are revealed and love is betrayed. Can a killer and a paranoid recluse find true love? Or will the past tear them apart? This book was originally titled *VLAD*. *Blackie's Concise English Dictionary* Blackie, Concise English Dictionary

The Dirty Dozen Robert A. Levy, William Mellor, 2009-08-01 Alexander Hamilton wrote that the judiciary, from the nature of its functions, will always be the least dangerous to the political rights of the Constitution. If only that were true. The Founding Fathers wanted the judicial branch to serve as a check on the power of the legislative and executive and gave the Supreme Court the responsibility of interpreting the Constitution in a way that would safeguard individual freedoms. In some cases, like *Brown v. Board of Education* and *United States v. Lopez*, the Court fulfilled its role, protecting us from racial discrimination and the heavy hand of the federal government. But sadly, the Supreme Court has also handed down many destructive decisions on cases you probably never learned about in school. In *The Dirty Dozen*, two distinguished legal scholars shed light on the twelve worst cases which allowed government to interfere in your private contractual agreements, curtail your rights to criticize or support political candidates, arrest and imprison you indefinitely without filing charges, and seize your private property without compensation when someone uses the property for criminal activity, even if you don't know about it. This is not a book just for lawyers; it's for all Americans who want to understand how the Supreme Court can affect our right to life, liberty, and the pursuit of happiness. This paperback edition includes a new preface, *Guns, Bailouts, and Empathetic Judges*, which highlights new and critical issues that have arisen since the book's initial edition was published in 2008. *The Almanac of Political Corruption, Scandals, and Dirty Politics* Kim Long, 2008-12-18 Watergate, Billygate, Iran Contra, Teapot Dome, Monica Lewinsky. American history is marked by era-defining misdeeds, indiscretions, and the kind of tabloid-ready scandals that politicians seem to do better than anyone else. Now, for the first time, one volume brings together 300 years of political wrongdoing in an illustrated history of politicians gone wild, proving that today's scoundrels aren't the first, worst, and surely won't be the last. From high crimes to misdemeanors to moments of licentiousness and larceny, this unique compendium captures in complete, colorful detail the foibles, failings, peccadilloes, dirty tricks, and astounding blunders committed by politicians behaving badly. Amid stories of brawlers, plagiarists, sexual predators, tax evaders, and the temporarily insane, this
