One Last Song:

One Last Song Mike Ayers, 2020-10-13 An ironically upbeat book that asks some of today's most inimitable musicians which song they would choose to be the last one they ever hear Variety Best Music Book of 2020 TIME Best Book of Fall 2020 Selection If you could choose the last song you'd hear before you died what would it be and why Your favorite song of all time Perhaps the one you danced to at your wedding The song from that time you got super stoned and just let the chords speak to you It's a hard question that Mike Ayers has thought about for years In *One Last Song* Ayers invites 30 musicians to consider what song they would each want to accompany them to those pearly white gates Weaving together their explanations with evocative illustrations and poignant interludes what your song to die to says about you what songs famous people have died to and more The book offers insight into the minds of famous artists and provides an entry point for considering how integral music is to our own personal narratives Artists Featured Jim James of My Morning Jacket Andr 3000 Killer Mike Jeff Tweedy of Wilco Phoebe Bridgers Richard Reed Parry of Arcade Fire Sam Beam of Iron Wine Colin Meloy of the Decemberists Wayne Coyne of The Flaming Lips Lauren Mayberry of CHVRCHES A C Newman of The New Pornographers Courtney Barrett Bobb Bruno of Best Coast Angel Olsen Regina Spektor Kevin Morby Will Oldham Julia Holter Margo Price Sonny Rollins Ryley Walker Merrill Garbus of tUnE yArDs Yannis Philippakis of Foals Bettye Lavette M C Taylor of Hiss Golden Messenger Wanda Jackson Roseanne Cash Lucinda Williams and Beth Orton **One Last Song** S. Falls, 2015-01-13 I was seven when I swallowed my first needle My mom freaked out and rushed me to the emergency room She stayed by my side all night I never wanted it to end When you spend your whole life feeling invisible when your parents care more about deals and deadlines than they do about you you find ways of making people take notice Little things at first Then bigger It's scary how fast it grows Then one day something happens that makes you want to stop To get better To be better And for the first time you understand what it's like to feel whole happy loved For the first time you love someone back For me that someone was Drew **One Last Song** Arun Ange Veetil, 2022-01-06 The entry of the beautiful six year old Pari

Adams,2025-01-30 Jesse and Leon Thatcher grew up in a tiny shack on a small farm in the backwoods of Southern Indiana Their Ma and Pa Gordon and Martha Thatcher worked hard on their small farm to make ends meet They had very little to give to their boys but they had a good life filled with love for family a lot of music and a little bit of faith From the front porch of that tiny shack Gordon would play his fiddle and the family legacy would be planted At age eighteen Jesse set off for Colorado to chase after his dream of being a cowboy of singing to the cattle and the stars and to find his Indiana sweetheart He became known as the cowboy with the golden voice After the death of Gordon and later Martha Leon decided to go to Colorado to be with his brother So with his Pa s fiddle in hand he began a journey west to become a cowboy at the Ogilvy Ranch like Jesse However life as it often does took some unexpected detours for Jesse and Leon The untamed nature of the West tended to do that The year was 1875 a

significant time in the history of the West a history that is well documented On their path both boys took the music their parents gave them and grew in skill reputation and character Along their trail Jesse and Leon found good people in this feral world that helped to guide them despite the obstacles they faced This story is about the journey of two brothers and how they grew into the legacy of music and faith given to them by their parents It is Legacy s Song **House Rules** Stephanie Berchiolly,2024-12-11 Three witches one sentient house and a whole lotta baggage What could possibly go wrong Well that s up to you Welcome to the Witch s House where your choices could save or doom three magical besties Flora Amira and Star thought they d seen it all but honey they ain t seen nothing yet With the house going haywire and the L i al Dool curse nipping at their heels our witchy trio must face their darkest fears and spiciest secrets Ding dong the witch is wait what The Witch s House is testing its new owners and it s not playing nice You hold the power to shape their destinies choose wisely or watch these witches burn Will you lead them to triumph or watch them tumble into temptation Get ready for a wild ride through memory lane Hell and everywhere in between In this interactive novella you decide if they ll slay or get slayed When a magical house decides to play mind games even badass witches better watch their step It s time for one helluva magical midlife crisis Book 3 5 of the Scenic Magical Midlife Tour series [When Is Your Time Up?](#) Stephen Paul Tolmie,2020-07-26 In writing this book I had wanted to explore my thoughts and beliefs as to why I always felt that I was given a number at birth Was this strictly in my imaginary mind and not to be considered real Is there anybody else that feels the same way as I do Was it just pure luck coincidence fate or a guardian angel that was looking after me Why had I escaped death on several occasions Was it my own quick thinking process and reaction time that was my salvation Could it possibly be a higher power imposing HIS will on my body and its destruction time table then quickly interceding I couldn t for the life of me figure out why in the eminent fate that was to befall me that I had escaped it grasp I couldn t figure out why I had a near death experience on several occasions only still to be here Was not my number up yet Was there a Divine power controlling my life s time table I needed to realize if I was unique in this experience or was it happening to others as well as surely logic and common sense would say that this is the case In looking into this quest I discovered not only had other people had near death experiences but also other people had actually died They had came back to life only to tell of the wonderful experience and the site and the people who had passed on previously from their life and how it all seemed so real Is this the circle of life after death that we all hope for the connection to eternal life **Smiles Poems...Thoughts to Ponder** Stephen Paul Tolmie,2012-02 The Tree of Life The tree of life is so like man ever stretching to the skies It s branches ever reaching upwards as though to heaven above Like man s quest here on earth to reach for that high unknown The tree requires the staples of life for its very existence here But man in his slight wisdom knows these details all too clear The tree roots securely planted are not allowed to roam But man s feet here on earth Have mobility all their own Unlike the tree man does possess a single separate entity A brain you see though seldom used a total shame indeed The tree of life depends on man for its daily

life's survival Man depends on his own life's skills to hopefully see his tomorrow Which is a sad virtue for his thinking process is not always clear He makes good and bad decisions its effects are not yet known Man should take his life's lessons from the tree of life pursuit As our single life's true purpose to reach for heaven above As the tree stretches forth its limbs ever skyward in its growth We should heed this very lesson and praise the Lord above For all that He has done for mankind and this our earth as well A Loyalhanna Song William Semo,2019-08-11 A fifth book of poetry by Laurel Highlands Author

William C Semo This time his focus is on the Loyalhanna Creek and the gorge that he grew up in fishing and dreaming learning what it was of his family's history and the history of the Laurel Highlands and America itself Each of these poems is a rockfall reflection of memories building up into the rapids of verse as only he can put it **I See Red K.**

home Soon to be betrothed to Lord Gregor to solidify an alliance with a neighboring house Margareth waits and prays Perhaps God will hear her heart and grant her fondest wish to wed the only man she will ever love Still Gregor is kind and gentle and gallant and she is stragely moved with compassion when he narrowly escapes death be a lance Perhaps the answer to her prayes will surprise even Margarethe

Song of Time Ian R. MacLeod, 2018-08-15 Winner of the Arthur C Clarke and the John W Campbell Memorial awards for Best Science Fiction Novel Song of Time begins with an old woman discovering a half drowned man on a Cornish beach in the furthest days of this strange century She once a famous concert violinist is close to death herself or a new kind of life she can barely contemplate Does death still exist at all or has finally been extinguished And who is this strange man she s found Is he a figure returned from her own past a new messiah or an empty vessel Filled with love music death and life and spanning the world from the prim English suburbs of Birmingham to the wild inventions of a new Renaissance Paris to a post apocalyptic India Song of Time tells the story of this century and confronts the ultimate leap into a new kind of existence and whatever lies beyond Praise for Song of Time MacLeod s quiet meditative novels and stories have been winning critical acclaim for years and Song of Time sees him at the height of his powers At the end of a long and eventful life celebrated violinist Roushana Maitland orders her memories before she passes from the world of the flesh to a virtual afterlife When she finds a mysterious stranger washed up on the beach of her Cornish retreat he facilitates the process of remembrance In flashback chapters we follow Roushana s turbulent life through the cataclysmic events of the 21st century taking in the deaths of loved ones marriage to a conductor entrepreneur and a final heartbreaking revelation Song of Time is a slow sensitive first person account of what it means to be human and vulnerable and confirms MacLeod as one of the country s very best literary SF writers The Guardian

The Middle Beatriz Gomes Margalho, 2024-07-29 That s my list of things to look forward to It s pretty insignificant compared to the list of reasons to give up Giving up is easy I like easy And I ve always been one known for taking the easy way out This book is about pain and suffering about struggling between your mind and your heart And how one can move past it By feeling it All of it My hope is that this book shows you that you are not alone in your woes I feel it too
