

John D. Wilsey Foreword by Richard Land

ONE NATION UNDER GOD?

AN EVANGELICAL CRITIQUE
OF CHRISTIAN AMERICA

One Nation Under God An Evangelical Critique Of Christian America

John D. Wilsey

One Nation Under God An Evangelical Critique Of Christian America:

One Nation Under God? John D. Wilsey, 2011-06-01 Is America a Christian nation This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades Wilsey asserts that the United States was not conceived as a Christian nation but as a nation with religious liberty Herein lies the genius of the Founders and the uniqueness of America One Nation Under God? John D. Wilsey, 2011-06-01 Is America a Christian nation This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades Wilsey asserts that the United States was not conceived as a Christian nation but as a nation with religious liberty Herein lies the genius of the Founders and the uniqueness of America Christian America and the Kingdom of God Richard T. Hughes, Christina Littlefield, 2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda Richard T Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible s words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work Christian America and the Kingdom of God spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation **Was America Founded as a Christian Nation? Revised Edition** John Fea, 2016-10-01 John Fea offers a thoroughly researched evenhanded primer on whether America was founded to be a Christian nation as many evangelicals assert or a secular state as others contend He approaches the title s question from a historical perspective helping readers see past the emotional rhetoric of today to the recorded facts of our past This updated edition reports on the many issues that have arisen in recent years concerning religion s place in American society including the Supreme Court decision on same sex marriage contraception and the Affordable Care Act and state level restrictions on abortion and demonstrates how they lead us to the question of whether the United States was or is a Christian nation Fea relates the history of these and other developments pointing to the underlying questions of national religious identity inherent in each We live in a sound bite culture that makes it difficult to have any sustained dialogue on these historical issues Fea writes in his preface It is easy for those who argue that America is a Christian nation and those who do not to appear on radio or television programs quote

from one of the founders or one of the nation's founding documents and sway people to their positions. These kinds of arguments which can often be contentious do nothing to help us unravel a very complicated historical puzzle about the relationship between Christianity and America's founding. *The Religion of American Greatness* Paul D. Miller, 2022-07-05

What is Christian nationalism and how is it different from patriotism? Political theorist, veteran, and former White House staffer Paul D. Miller provides a detailed portrait of and case against Christian nationalism, calling for Christians to seek a healthier political witness that respects our constitutional ideals and a biblical vision of justice. **Cultural Christians in the Early Church** Nadya Williams, 2023-11-14

In the middle of the third century CE, one North African bishop wrote a treatise for the women of his church, exhorting them to resist such culturally normalized yet immodest behaviors in their cosmopolitan Roman city as mixed public bathing in the nude and wearing excessive amounts of jewelry and makeup. The treatise appears even more striking once we realize that the scandalous virgins to whom it was addressed were single women who had dedicated their virginity to Christ. Stories like this one challenge the general assumption among Christians today that the earliest Christians were zealous converts who were much more counterculturally devoted to their faith than typical churchgoers today. Too often, Christians today think of cultural Christianity as a modern concept and one most likely to occur in areas where Christianity is the majority culture, such as the American Bible Belt. The story that this book presents refutes both of these assumptions.

Cultural Christians in the Early Church, which aims to be both historical and practical, argues that cultural Christians were the rule rather than the exception in the early church. Using different categories of sins as its organizing principle, the book considers the challenge of culture to the earliest converts to Christianity as they struggled to live on mission in the Greco-Roman cultural milieu of the Roman Empire. These believers blurred and pushed the boundaries of what it meant to be a saint or sinner from the first to the fifth centuries CE, and their stories provide the opportunity to get to know the regular people in the early churches. At the same time, their stories provide a fresh perspective for considering the difficult, timeless questions that stubbornly persist in our own world and churches: when is it a sin to eat or not eat a particular food? Are women inherently more sinful than men? And why is Christian nationalism a problem and at times a sin? Ultimately, recognizing that cultural sins were always a part of the story of the church and its people is a message that is both a source of comfort and a call to action in our pursuit of sanctification today.

[Christianity in America](#) G. Wright Doyle, 2013-07-17

Was America founded as a Christian nation? What role has the Christian faith of many of its leaders played in the course of its history? How has Christianity affected American culture and society? This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord. Believers in Christ have built one of the most Christianized countries in the world, with benefits for millions. They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries. Generous in praise for dedicated believers who have reflected the

character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy

American Exceptionalism and Civil Religion John D. Wilsey,2015-10-22 The idea of America s special place in history has been a guiding light for centuries With thoughtful insight John D Wilsey traces the concept of exceptionalism including its theological meaning and implications for civil religion This careful history considers not only the abuses of the idea but how it can also point to constructive civil engagement and human flourishing

Christian Nationalism in the United States

Mark T. Edwards,2018-07-05 This book is a printed edition of the Special Issue Christian Nationalism in the United States that was published in Religions

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

New Perspectives on Old Princeton, 1812-1929 Kevin DeYoung,Paul Kjos Helseth,David P. Smith,2024-12-03 This book focuses on Princeton Theological Seminary and the theologians who taught there from the time of its founding in 1812 to the time of its reorganisation in 1929 It confronts the standard assessment of Old Princeton in the historiography of North American evangelicalism and sets out why a new paradigm is needed The volume critically engages with the Ahlstrom thesis and other more recent scholarship concerning Old Princeton s relationship to the Scottish intellectual tradition The contributions seek to move beyond Old Princeton s alleged indebtedness to Enlightenment thought and advance a more constructive reading of the Old Princetonians their theology and their place in the American evangelical experience The book

offers a fresh and more accurate assessment of the theological and philosophical assumptions that held sway at Old Princeton and through the seminary to the American continent and beyond It will appeal to scholars interested in theology religious history and intellectual history

Religion and Contemporary Politics Timothy J. Demy, Jeffrey M. Shaw Ph.D., 2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

Religious Freedom John D. Wilsey, 2025-04-24 A conservative perspective on vital questions about religious liberty In this timely book historian John D Wilsey addresses urgent questions about religious freedom in America How have conservatives historically understood the meaning of religious freedom How do Americans who identify as conservative now think about religious freedom in this era What are the differences between the historical and contemporary views and how do those differences shape fights about religious freedom today Writing for fellow Americans concerned about threats to religious liberty Wilsey draws on US history to explain why rather than weaponizing religious freedom in the context of the culture wars today s conservatives need to rally around religious freedom to promote peace between church and state With wisdom and acuity Wilsey charts a path forward for thinking about and maintaining a uniquely American tradition the harmony between liberty and religion that each generation has received as an inheritance from the generations preceding theirs

History Nathan A. Finn, 2016-01-31 A robust understanding of the past has the power to shape our perspective on the present and plans for the future In this introduction to the study of history a historian helps students grasp what it means to examine and explore history from a distinctly Christian perspective In addition to opening students eyes to the riches of the past this readable guidebook models an approach to history that embraces the fundamental beliefs and convictions that make up the Christian worldview Part of the acclaimed Reclaiming the Christian Intellectual Tradition series this volume will be an invaluable tool in the hands of those seeking to engage with the past with God in mind Includes illustrations reflection questions and a list of resources for further study

Religion und Politik in den Vereinigten Staaten von Amerika Norbert Finzsch, Stefanie Coché, 2012

The Anointed Randall J.

Stephens, Karl W. Giberson, 2012-07-09 Why do so many evangelicals follow leaders with dubious credentials when they have other options in their own faith Exploring intellectual authority within evangelicalism the authors reveal how the concept of anointing being chosen by God to speak for him established a conservative evangelical leadership isolated from secular arts and sciences

The New American Militarism Andrew J. Bacevich, 2013-05-09 An updated edition of Andrew J Bacevich's valuable examination of the dangerous obsession that has taken hold of Americans a marriage of militarism and blind utopian ideology of unprecedented military might and a blind faith in the universality of American values

The Crisis of Evangelical Christianity Keith C. Sewell, 2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orb'd understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century

The Scandal of the Evangelical College Martin Spence, 2025-06-30 Despite heady claims about Christ centeredness Evangelical colleges are scandalously secular institutions in thrall to the regnant assumptions of the market economy and mainstream higher education Paradigms intended to integrate faith and learning often ironically fracture and distort Christianity Even the spiritual dimensions of the Christian college presumed to keep it safe from religious declension are prone to secularizing tendencies because the American Evangelical culture from which the college receives its spiritual cues and from which it accepts its donors money is itself captive to a set of sub biblical economic social and political assumptions This book argues that the cause of the scandal is the absence of the church in the imagination of the Evangelical college It therefore proposes that the mission and practice of the Evangelical college should be to summon equip and renew the people of God While this may sound like a return to an obsolete bible school model of Christian education the ecclesial vision only sounds narrow because we lack a robust understanding of the vocation of the church itself By simultaneously restricting our vision of the Evangelical college while broadening our understanding of the church a more fully evangelical educational endeavor might emerge

Jesus Springs William J. Schultz, 2025-09-10 In the years after World War II American evangelicals flocked to the once sleepy mountain town of Colorado Springs Drawn by cheap property beautiful scenery and the encouragement of civic leaders who saw

religion as a path to prosperity evangelicals planted new churches and built religious nonprofits with a global reach They preached their message in churches and schools even in the United States Air Force Academy Their efforts transformed the city into what some called the Evangelical Vatican and others dubbed Jesus Springs But in the early 1990s as the evangelical movement shifted its focus from saving souls to securing political and economic power relations between the movement and the local community fractured Today the city faces the prospect of reinvention grappling with the challenges of America's fast changing religious landscape Jesus Springs reveals the power and influence of American evangelicalism within the nation's spiritual economy Linking the Cold War and the culture wars William J Schultz tracks how a deluge of defense spending helped Colorado Springs become the organizational heart of American evangelicalism This story taking place as evangelicalism transformed from a primarily religious movement into the social and political force we know today illuminates the movement's potential impact as its participants seek ever greater power

One Nation Under God An Evangelical Critique Of Christian America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free One Nation Under God An Evangelical Critique Of Christian America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free One Nation Under God An Evangelical Critique Of Christian America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of One Nation Under God An Evangelical Critique Of Christian America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About One Nation Under God An Evangelical Critique Of Christian America Books

1. Where can I buy One Nation Under God An Evangelical Critique Of Christian America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
