Plus One Christopher Noxon, 2015-01-05 *Plus One* is a smart and funny novel about Hollywood but where it truly shines is in Noxon's stunning and painfully accurate depiction of the complex rhythms and growing pains of a marriage Jonathan Tropper author of *This Is Where I Leave You* and *One Last Thing Before I Go* Well observed honest and laugh out loud funny *Plus One* tells a story from the inside of show business about being on the outside Matthew Weiner creator of *Mad Men* Christopher Noxon's debut novel *Plus One* is a comedic take on bread winning women and caretaking men in contemporary Los Angeles Alex Sherman Zicklin is a mid level marketing executive whose wife's fourteenth attempt at a TV pilot is produced ordered to series and awarded an Emmy Overnight she's sucked into a mad show business vortex and he's tasked with managing their new high profile Hollywood lifestyle He falls in with a posse of *Plus Ones* men who are married to women whose success income and public recognition far surpasses their own What will it take for him to regain the foreground in his own life Christopher Noxon is an accomplished journalist who has written for such publications as the *New Yorker* *Details* *Los Angeles Magazine* *Salon* and the *New York Times Magazine* his first book *Rejuvenile Kickball* *Cupcakes* and the *Reinvention of the American Grown Up* *Crown* earned him interviews on such shows as the *Colbert Report* and *Good Morning America* and generated features in *USA Today* the *Wall Street Journal* and *Talk of the Nation* Ira Glass of *This American Life* called the book an eye opener Noxon happens to be married to a top TV writer producer and does the school chauffeuring for their three children so he knows whereof he speaks regarding *Plus Ones* He lives in Los Angeles

California **Art and Idea in the Novels of China Miéville** Carl Freedman,2015-09-07 This book offers in the first six chapters critical readings of six novels by China Miéville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Miéville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Miéville who shows them to be in truth indissoluble So argues Freedman's inordinately readable and just as rigorous account of Miéville's major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Miéville's novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Miéville's genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the complex utopian project of Miéville's fiction

Freedman is one of our finest critical voices on Miéville one of the most important speculative writers of the 21st century Sherryl Vint University of California Riverside **The Plus One** Mazey Eddings,2023-04-04 Mazey Eddings's writing is authentic emotional and intensely romantic To me it's like a Taylor Swift song in book form New York Times bestselling author Ali Hazelwood What starts out as a fake wedding date turns into something these childhood enemies never expected in *The Plus One* a sparkling romantic comedy by Mazey Eddings She's not looking to fix him She's looking to love him if he'll let her in Some facts are indisputable The sun rises in the east sets in the west Gravity exists Indira doesn't like Jude Jude doesn't like Indira But what happens when these childhood enemies find the only thing they can rely on is each other On paper Indira has everything together An amazing job a boyfriend and a car What more could a late twenty something ask for But when she walks in on her boyfriend in an amorous embrace with a stranger that perfect on paper image goes up in flames Jude has nothing together A doctor that's spent the last three years traveling the world to treat emergencies and humanitarian crises a quick trip home for his best friend's wedding has him struggling to readjust Thrust into an elaborate and ridiculously drawn out wedding event that's stressing Jude beyond belief and has Indira seeing her ex and his new girlfriend far more frequently than any human should endure the duo strike a bargain to be each other's fake dates to this wedding from hell The only problem is their forced proximity and fake displays of affection are starting to feel a bit real and both are left grappling with the idea that a situation that couldn't be worse is made a little better with the other around

One Plus One Equals One John Archibald,2014-06-26 We are in the midst of a revolution It is a scientific revolution built upon the tools of molecular biology with which we probe and prod the living world in ways unimaginable a few decades ago Need to track a bacterium at the root of a hospital outbreak No problem the offending germ's complete genetic profile can be obtained in 24 hours We insert human DNA into *E coli* bacteria to produce our insulin It is natural to look at biotechnology in the 21st century with a mix of wonder and fear But biotechnology is not as unnatural as one might think All

living organisms use the same molecular processes to replicate their genetic material and the same basic code to read their genes. The similarities can be seen in their DNA. Here John Archibald shows how evolution has been plugging and playing with the subcellular components of life from the very beginning and continues to do so today. For evidence we need look no further than the inner workings of our own cells. Molecular biology has allowed us to gaze back more than three billion years revealing the microbial mergers and acquisitions that underpin the development of complex life. **One Plus One Equals One** tells the story of how we have come to this realization and its implications. **One Plus One** Jojo Moyes, 2014. One single mum. With two jobs and two children, Jess Thomas does her best day after day. But it's hard on your own. And sometimes you take risks you shouldn't. Because you have to. On a chaotic family, Jess's gifted quirky daughter, Tanzie, is brilliant with numbers but without a helping hand, she'll never get the chance to shine. And Nicky, Jess's teenage stepson, can't fight the bullies alone. Sometimes Jess feels like they're sinking. One handsome stranger, Ed Nicholls, a man with a past who is running from a deeply uncertain future, but he has time on his hands. He knows what it's like to be lonely. And he wants to help. One unexpected love story. **The One Plus One** is a captivating and unconventional romance from Jojo Moyes about two lost souls meeting in the most unlikely circumstances. Praise for Jojo Moyes: A deftly plotted narrative populated with likeable, engaging characters. A bittersweet story about love, learning, and letting go. It's a tremendous read, and I loved it. Daily Mail. Moyes provokes tears that are redemptive, the opposite of gratuitous. Some situations she forces the reader to recognize really are worth crying over. New York Times. Truly beautiful. Made us laugh, smile, and sob like a baby; you simply have to read it. Closer. A triumph. Packs such an emotional punch you'll need a box of tissues. Elle. **Three Brothers Plus One Book IV** Alfred S. Hamby, 2009-08-21. *Three Brothers Plus One* Alfred Sanford Hamby, 2011-07-29. Grace wishes to make her own way like her other three brothers and attempts to balance her new political life with her husband's. Her husband, for months at a time, is left alone and therefore becomes involved in extra-martial affairs. As Secretary of State, the fourth in line to become the President of the United States without actually being voted for, wants to show the world that she can do the job and becomes involved in all sorts of foreign policies that have been historically established and some of her own. There is presented some actual data about the life of Alfred Hamby, the author of the 8 series of *Three Brothers Plus One*, while growing up into maturity. There are four possibilities that are presented in regards to his growing up. You must use your imagination and maybe combine all his life stories into one to get the real truth, and/or just take one. **Forever, Plus One (The Inn at Sunset Harbor—Book 6)** Sophie Love, 2017-08-16. **Three Brothers Plus One** Alfred S. Hamby, 2011-02-26. Grace and Gerry Habetrwongo are appointed by the President of the United States as Secretary of State and Chief of the Secret Service. Working together as a team, they bring peace between America and Japan over oil and the oil reserves. In order to solve this dispute between the two countries, they encounter Japanese terrorists. Working with the United Nations and the Secretary General of the United Nations and Congress, they solve the dispute over oil and oil reserves. Three Brothers

Plus One Book Iii Alfred S. Hamby, 2009-08-21 Retired colonel Alfred S. Habetrawongo when he believed that the time was right he had run for the political office of the president of the United States of America. The electoral college votes came into play and had made it almost impossible for him to run for office. He has also issued six white papers as part of his campaign that came under a great deal of criticism: 1 Taxes, 2 Education, 3 Health care, 4 Free trade in this hemisphere, 5 Reorganization of the United Nations, 6 Other miscellaneous and Current topics and political issues. The above speeches were given sometimes to hostile audiences in which the colonel was shot by someone in the audience. He was also a very close friend of an admiral of the North Atlantic Fleet who has dropped two atomic bombs over Germany. In running for the presidency he was again shot at while giving a speech at the Hollywood Bowl. With the help of his loyal team he has campaigned until the current seated president started to issue negative advisories against him and a final decision that his team made for him about his running for president.

The Novels of Simone De-Beauvoir Elizabeth Fallaize, 2024-11-01 First published in 1988. The Novels of Simone de Beauvoir concentrates specifically on the novels of the famous 20th Century French writer Simone de Beauvoir. Her novels are popular with both the students and general readers of literature and philosophy and they will welcome this authoritative introduction to Beauvoir's fiction. The author examines Beauvoir's choice of narrative strategies and interprets them both in relation to the sexual politics of writing and in relation to the place which the constraints of history, class and gender increasingly play in the texts. All quotations are translated.

Feminized By My Nemesis (Sci Fi Gender Change Novel) Tabatha Dallas, 2018-01-01

The Four Books Yan Lianke, 2015-03-03 From the Franz Kafka Prize winning author of *Lenin's Kiss*, a stupendous and unforgettable novel of Mao's China. The Times London. In the ninety-ninth district of a re-education compound, freethinking artists and academics are detained to strengthen their loyalty to Communist ideologies. Here the Musician and her lover, the Scholar, along with the Author and the Theologian are subjected to grinding physical labor. They are also encouraged to inform on each other's dissident behavior for the prize of a chance at freedom. Their preadolescent supervisor, the Child, delights in reward systems and excessive punishments. But when agricultural and industrial production quotas are raised to an unattainable level, the ninety-ninth district dissolves into lawlessness. As inclement weather and famine set in, the people are abandoned by the regime and left alone to survive. Set inside a labor camp during Mao's Great Leap Forward, Booklist calls *The Four Books* a rich and complex novel from China's most heralded and censored modern writer. The South China Morning Post.

Posthuman Capital and Biotechnology in Contemporary Novels Justin Omar Johnston, 2019-10-01 This book examines several distinctive literary figurations of posthuman embodiment as they proliferate across a range of internationally acclaimed contemporary novels: clones in Kazuo Ishiguro's *Never Let Me Go*, animal-human hybrids in Margaret Atwood's *Oryx and Crake*, toxic bodies in Indra Sinha's *Animal's People*, and cyborgs in Jeanette Winterson's *The Stone Gods*. While these works explore the transformational power of the biotech century, they also foreground the key role human capital theory has played in framing human belonging as an

aspirational category that is always and structurally just out of reach making contemporary subjects never human enough In these novels the dystopian character of human capital theory is linked to fantasies of apocalyptic release As such these novels help expose how two interconnected genres of futurity the dystopian and the apocalyptic work in tandem to propel each other forward so that fears of global disaster become alibis for dystopian control which in turn becomes the predicate for intensifying catastrophes In analyzing these novels Justin Omar Johnston draws attention to the entanglement of bodies in technological environments economic networks and deteriorating ecological settings *Three Brothers Plus One Book VI Medical/Surgical* Alfred S. Hamby, 2010-09-29 One of the brothers Robert I Habetrawongo MD is a cardiologist This is the story of his exploits as a physician and research scientist During his internship he was put into the limelight in England by transplanting a baby's heart without any prior experience and the queen of England had crowned him Sir Roberts for his deed Sir Robert had become a hero to the queen because of his untiring efforts in heart surgery Because of this he the hero had become well known and had become a target by well known activists and terrorists His sister Grace Habetrawongo a journalist had aided her brother Sir Robert by recording everything that he did and accomplished The publication of her monthly journals had created a firestorm worldwide **The Way It Happens In Novels** Kathleen O'Connor, 2011-04-13 Romance novel junkie Cheryl Freedman feels like she is playing the part of a romance heroine when the man of her dreams enters her life but she soon discovers that real love does not follow the script
