Irresistible Faith Scott Sauls, 2019-01-22 I love everything that Scott Sauls writes Christine Caine What if Christians became the best advertisement for Jesus Jesus said his followers would be a light to the world and a city on a hill a warmly inviting neighbor loving grace and truth filled destination for all He envisioned his followers as life giving neighbors bosses employees and friends the kind of people who return insults with kindness and persecution with prayers Rooted in biblical convictions they would extend love empathy and care to one another as well as to those who don't share their beliefs Over time their movement would become irresistible to every nation tribe and tongue Irresistible Faith is a blueprint for pursuing this vision in our current moment of redeemed individuals and a renewed community working for a restored world This is a way of being that gives a tired cynical world good reason to pause and reconsider Christianity and to start wishing it was true I miss the kind of church Scott describes in this book and I don't think I am alone Donald Miller author of Blue Like Jazz and Building a StoryBrand An important call to resist the urge to lobby and position ourselves but rather to be driven by gospel powered love Raechel Myers founder and CEO of She Reads Truth An antidote to much that is wrong with our Western American version of Christianity Gabe and Rebekah Lyons authors and founders of Q

Beloved Mess Kimm Crandall, 2016-06-21

God's Empowering Love for Us in the Midst of Our Mess. Life is messy. And Christians are not exempt. Unfortunately, this is not the message we tend to hear. We're told to be moral, look good, and set a positive example. After all, as some people may tell us, we're the only Jesus some people see, so we better make him look good. That's a heavy burden. And so we work feverishly to hide our messes from each other and from God for fear of judgment all the while wondering how we can ever be loved. But Christianity is not about being less of a mess. It's about admitting that we need to be saved from trying to clean ourselves up. In *Beloved Mess*, author and blogger Kimm Crandall frees Christians to live with the assurance that God loves us right here, right now. He's not waiting for us to clean up our act before we're worthy to come to him. He wants us to stop trying to fix the mess so that we can allow him to wash it away for us.

Endorsements: Kimm unpacks the wonder of God's mercy with honesty and courage and shows how it reaches all the way down to every dimension of our hearts and lives. Justin S. Holcomb, author of *On the Grace of God*. Read this short but life-changing book, go back to it again and again, and see yourself falling more in love with the One who loved us and gave himself for us. Jessica Thompson, author of *Everyday Grace*.
