Moore,2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here **Now All We Need Is a Title** André Bernard,1996 The stories behind more than 100 titles in the English language Amongst other anecdotes this book tells that Lewis Carroll was the first to suggest that the dust jackets should carry the title of books so The Hunting of the Snark was the first book to be published with a printed jacket **The Red Hot Typewriter** Hugh Merrill,2000-08-12 Although John D MacDonald published seventy novels and more than five hundred short stories in his lifetime he is remembered best for his Travis McGee series He introduced McGee in 1964 with The Deep Blue Goodbye With Travis McGee MacDonald changed the pattern of the hardboiled private detectives who preceeded him McGee has a social conscience holds thoughtful conversations with his retired economist buddy Meyer and worries about corporate greed racism and the Florida ecolgoy in a long series whose

brand recognition for the series the author cleverly advanced by inserting a color in every title Merrill carefully builds a picture of a man who in unexpected ways epitomized the Horatio Alger sagas that comprised his strict father's secular bible From a financially struggling childhood and a succession of drab nine to five occupations MacDonald settled down to writing for a living a lifestyle that would have horrified his father He worked very hard and was rewarded with a more than decent livelihood But unlike Alger's heroes MacDonald had a lot of fun doing it
