Clark, 2002 Unlike humans Lucifer is ineligible for redemption and therefore doomed to eternal hell Playing on God's sense of fairness Lucifer appeals to the Archangel Michael for a chance to redeem himself by turning a person he corrupted into a paragon of virtue Against his own wishes Michael makes the deal However since moral perfection is impossible for anyone he decrees that Lucifer must attain redemption by seeing that his subject does not break nine of the Ten Commandments politically The agreement is struck and the target of Lucifer's effort will be the corrupt wealthy governor of Kentucky who is gearing up for reelection and is hopelessly paranoid about his opponents Besides engaging in the usual local corruption the Guv worms his way into a deal to bring riverboat gambling to the state Lucifer dispatches an imp disguised as a political

consultant to infiltrate the campaign and influence the governor toward political righteousness The imp and the governor's spokeswoman share a romantic attraction which is also resolved in this rollicking metaphysical muckraking of Kentucky politics

Juice Stephen Becker, 2016-01-12 A corporate executive stands accused of a terrible crime in this searing legal drama from the bestselling author of *A Covenant with Death* The managing director of a popular West Coast television network Joseph Harrison has everything a man could want a successful career a loving family the promise of a bright and prosperous future His life is one happy circumstance after another until the fateful evening he gets behind the wheel after drinking three martinis and hits a pedestrian Arraigned on charges of manslaughter Harrison knows that his perfect world is lost forever But no one seems to think he should pay for his crime Not the chairman of the network's board of directors who immediately hires a slick Hollywood attorney to defend Harrison Not the eyewitnesses to the accident whose testimonies suddenly change when they step inside the courtroom Not even the judge who is pressured by the powerful interests that stand behind the defendant Only Harrison believes that he should face the consequences but is he brave enough to proclaim his guilt when the entire system wants to declare him innocent A dramatic portrait of one man's moral crisis and a blistering indictment of the influence of money and power in America *Juice* is a masterful novel of suspense from one of the twentieth century's most original and captivating authors

The Railroad Telegrapher, 1910

Law's Judgement William Lucy, 2017-07-27 Law's Judgement elucidates and defends a feature of contemporary law that is currently either overlooked or too glibly dismissed as morally troublesome or historically anachronistic That feature is the abstract nature of law's judgement and its three components show that when law judges us it often does so in ignorance of our particular characters and abilities on the one hand and in ignorance of our context and circumstances on the other Law's judgement is thus insensitive to all or much that makes us the particular people we are The book explores various connections between this mode of judgement and some of our most important legal and political values It shows that law's abstract judgement is closely related to important juristic conceptions of personhood responsibility and impartiality and that these notions are not without moral significance The book also examines the connections between modern law's judgement and three of our most important political values namely dignity equality and community It argues that if we value particular conceptions of dignity equality and community then we must also value law's judgement Illuminating these connections therefore serves a double purpose first it makes a case against those who counsel liberation from law's abstract judgement and second it redirects attention to the task of morally evaluating law's abstract judgement in its own terms
