the basics of the exposure triangle instead he dives into a curated collection of the LX100's best features and capabilities that he uses regularly. Some of the topics covered include: The best focus modes and settings based on the shooting situation; Customizable Function Fn button and Control Dial options; In Camera RAW processing; Shooting in Silent mode; Multiple exposures and panoramas; 4k photo mode; WiFi settings and features. And much more. Rob also discusses the coolest and best features of the LX100 that truly make a difference in how you use the camera, such as back button focus, the pros and cons of electronic vs mechanical shutter, how to customize the camera so it feels like you have a kit bag of prime lenses rather than a continuous zoom, and using external flash. Finally, Rob includes his favorite camera settings setups and suggestions for specific shooting situations such as street photography, travel photography, macro photography, and timelapse photography.
