

under scrutiny all the time, and so they have to be able to maintain the highest standards. This is true not only in the hours of work itself, but also at home: "You must be prepared to conduct your personal life with the same degree of discretion as your professional life." (Baker, p. 2). This makes the job of police officer sound extremely challenging and provides a solemn starting point for an interview with a serving police officer.

The police officer who agreed to the interview is a patrol officer who works both in the office and in a patrol car. He started in law enforcement after working in the housing sector. It was interesting to note that he did not pass the police examination the first time. He persisted until finally he did pass and then he was interviewed and appointed. It is obvious that he spends a lot of his time out on the job, answering calls and dealing with incidents that happen day by day. He spends more time in the despatch office, however, and for this he needs to have good office skills and he has to think fast and deal with complicated scenarios. Perhaps this is why he recommends that a person who wants to become a police officer should study for a degree. These writing and thinking skills are going to be very important in a job like this.

It was important to him also to learn from other officers. So much of the job requires experience. People behave in unpredictable and dangerous ways sometimes, and it is always useful to hear how more experienced officers have coped with things in the past. The officer was very sure that the police academy was essential when it comes to tactical skills, but he thought experience and listening to experiences of others was just as important as the technical skills that are taught in the academy.

When asked what was difficult about the job, the officer mentioned the way that people get out of control. He said that police officers are not able to lose control, and that they have to be fair at all times, and be aware that they are being watched. This was a big
