## **Policy And Procedure Manual For Churches Ucc:**

**Shattering the Illusion** Tracy J. Trothen, 2012-09-01 Shattering the Illusion is the first book to gather and comparatively analyze policies addressing child sexual abuse complaints in a selection of religious institutions in Canada. Although there is a substantial body of literature regarding Christianity and sexual abuse, very little of it focuses on religious institutions in Canada and their respective policies. In the foreword, Tracey J. Trothen summarizes the Cornwall Inquiry out of which this book arose. She then examines the Roman Catholic Church, The United Church of Canada, the Anglican Church, the Mennonite Church, Islam, and the Canadian Unitarian Council Unitarian Universalist Association, describing in detail the evolution and particular content of policies and procedures that address child sexual abuse complaints directed at paid and volunteer faith community representatives and/or leaders. She identifies differences and common themes among the approaches taken by the institutions and provides a summary table for an accessible comparative overview. Child sexual abuse is not new, but the emergence of policies to address abuse complaints within religious institutions is. This book identifies significant and shared causal factors behind the emergence of policy and reviews their content carefully. This review will serve as a significant tool for furthering the development of such policies. *United Church Herald*, 1968

**Understanding Clergy Misconduct in Religious Systems** Candace R. Benyei, 2014-10-13 In *Understanding Clergy Misconduct in Religious Systems*, you'll take an incisive look at why sexual misconduct occurs in religious systems and how to implement proactive strategies for holistic change. Applicable to both Jewish and Christian communities, this illuminating exploration takes a look at the psychology behind scapegoating, why it is perpetuated, and how you can quell the damaging tradition of silence. *Understanding Clergy Misconduct in Religious Systems* helps you see leaders of religious institutions in a way that the world has been afraid to see them in: a glass clearly. Enriched with metaphoric myths and fairy tales instead of technical jargon, its unique systemic perspective reveals the psychodynamics behind the obsession with family secrets and lets you understand this dysfunction from the perspectives of victim, abuser, and counselor. These specific areas will both inform and aid you in dealing with this difficult subject: the religious institution as a family system, the religious system as an illusion of the perfect family, the concept of God transference, and the overidealization of clergy, clergy personal relationships, and clergy congregational relationships. Vulnerability and the psychology of the victim, strategies for healing dysfunctional religious systems. *Understanding Clergy Misconduct in Religious Systems* comes at just the right time in an era when little has been written on the subject, especially from a systemic perspective. This work comes at a time when the phenomena of clergy sexual misconduct has rocked the very foundation of religious systems worldwide. Whether you're a lay congregational leader, judicatory administrator, pastoral counselor, psychologist, or seminarian, you'll find that the coping strategies and intervention techniques it outlines will guide you in pinpointing the sickness at its source and restoring felicity and order to your religious leaders and their communities. *Church & Synagogue Libraries*, 1985 Fishing Tips John

Pentland,2019-01-01 FISHING TIPS is an open invitation to be curious Using an ancient story as inspiration John Pentland reflects on how Hillhurst United said Yes to throwing the nets on the other side of convention The result was innovative invigorating and transformative *Federal Register* ,1985-10 *Energy Abstracts for Policy Analysis* ,1981 *The Arkansas Register* ,1994 *The American Organist* ,1993 *Year Book and Directory of the Christian Church (Disciples of Christ)*.
