The Edinburgh Companion to Women in Publishing, 1900–2020 Nicola Wilson, Claire Battershill, Sophie Heywood, Marrisa Joseph, Daniela La Penna, Helen Southworth, Alice Staveley and Elizabeth Willson Gordon, 2024-02-29 Women's creative labour in publishing has often been overlooked. This book draws on dynamic new work in feminist book history and publishing studies to offer the first comparative collection exploring women's diverse deeply embedded work in modern publishing. Highlighting the value of networks, collaboration and archives, the companion sets out new ways of reading women's contributions to the production and circulation of global print cultures. With an international intergenerational set of contributors using diverse methodologies, essays explore women working in publishing transatlantically on the continent and beyond the Anglosphere. The book combines new work on high profile women publishers and editors alongside analysis of women's work as translators, illustrators, booksellers, advertisers, patrons and publisher's readers, complemented by new oral histories and interviews with leading women in publishing today. The first collection of its kind, the companion helps establish and shape a thriving new research field.

Virago Reprints and Modern Classics D-M Withers, 2021-05-20 Reprinting, republishing and re-covering old books in new clothes is an established publishing practice. How are books that have fallen out of taste and favour resituated by publishers and recognised by readers as relevant and timely? This Element outlines three historical textures within British culture of the late 1970s and early 1980s: History Remembrance and Heritage that enabled Virago's reprint publishing to become a commercial and cultural success; With detailed archival case studies of the Virago Reprint Library, Testament of Youth and the Virago Modern Classics, it elaborates how reprints were profitable for the publisher and moved Virago's books and the Virago brand name from the periphery of culture to the centre. Throughout Virago's reprint publishing and especially with the Modern Classics, the epistemic revelation that women writers were forgotten and could therefore be rediscovered was repeated again and again and made culturally productive through the marketplace.

Precious Bane Mary Webb, 2013-04-04 Brighter and better than Thomas Hardy, a marvellous writer, Eloise Millar, Guardian. Prudence Sarn was born with a cleft palate, her precious bane for which she is persecuted as a witch by her superstitious neighbours. Hiding from daily ridicule, she takes refuge in the wild Shropshire countryside, developing a profound love of nature. Furtively, Prue longs to be loved and harbours a hopeless passion for Kester Woodseaves, the weaver. Prue's brother Gideon is engaged to her only friend, but in his ambition for wealth at any cost, he incurs the wrath of his would-be father-in-law, whose act of vengeance results in Prue being accused of murder. Only Kester, who has perceived her true worth, can defend her from the wrath of her accusers. Winner of the 1926 Prix Femina, Vie Heureuse Prize, *Precious Bane* is a novel that enchants with its beauty and its timeless truths. With the publication of *Precious Bane*, a substantial readership came to respect Mary Webb's quiet genius. When she died at the age of 46, literature lost a voice that promised to speak for Shropshire as poignantly as Thomas Hardy had spoken for Wessex, Emily Brontë for Yorkshire, New York Times.
