to pop light opera to big band standards and new wave to mariachi often taking risks beyond the reach of many critically acclaimed artists It would be hard if not impossible to find another vocalist who has had a more diversified career In their press release for the album *Winterlight* her record company managed to convey exactly what it was that made Linda Ronstadt such a special artist Versatile doesn't begin to describe Linda Ronstadt's astounding career a wildly eclectic devoutly adventurous journey through a myriad of styles and genres Who else has worked with Philip Glass and Dolly Parton Aaron Neville and Nelson Riddle Ronstadt's unforgettably gorgeous voice at once technically dazzling and resonating with deep emotion has woven a magical path from rock to mariachi from country to opera gathering critical and commercial success at every stop along the way Linda Ronstadt *A Life In Music* is an unauthorised biography that traces Linda Ronstadt's career from her days as a member of The Stone Poneys her early solo albums the critically acclaimed albums from the seventies her work with Nelson Riddle the foreign language recordings and her collaborations with Dolly Parton and Emmylou Harris The book gives an in depth analysis of every studio album and is supported by a background to her life and the influences musical and social that shaped her career Appendices in the book include a comprehensive discography chart statistics details of Record Industry Association of America RIAA and British Phonographic Industry BPI awards along with a list of Grammy Award nominations and wins The book includes a foreword written by Andrew Gold

The Rough Guide to Rock Peter Buckley, 2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap

The Bloomsbury Handbook of Rock Music Research Allan Moore, Paul Carr, 2020-07-09 The Bloomsbury Handbook of Rock Music Research is the first comprehensive academic survey of the field of rock music as it stands today More than 50 years into its life and we still ask what is rock music why is it studied and how does it work both as music and as cultural activity This volume draws together 37 of the leading academics working on rock to provide answers to these questions and many more The text is divided into four major sections practice of rock analysis performance and recording theories business of rock and social and culture issues Each chapter combines two approaches providing a summary of current knowledge of the area concerned as well as the consequences of that research and suggesting profitable subsequent directions to take This text investigates and presents the field at a level of depth worthy of something which has had such a pervasive influence on the lives of millions

The Rough Guide to Cult Pop Paul Simpson, 2003 This new Rough Guide is devoted to pop music the tacky catchy yet enduring music we grew up listening to when we should have been listening to something more profound We celebrate the hits the singers the impresarios and the songs which have made up the soundtrack to our lives So come along pop pickers put on your blue suede shoes or your tartan trousers or puffball skirt it's your call and take a stroll down Electric Avenue Not aarf Features include bull The Stars A celebration of those performers from Robbie Williams to Andy Williams and Madonna to Mungo Jerry who have had us singing along or in the case of Dean Friedman and Kajagoogoo left us wondering what the world is coming to
