Cary at the Crossroads Kat Simons, 2025-07-09 Midnight at the crossroads spells Trouble for Cary Getting called out to an isolated crossroads in the middle of nowhere for murky and mysterious reasons describes Cary Redmond's job as magical Protector perfectly. Literally the job description shows up in strange places and protect people. And as a walking talking Kevlar vest with a magical shield protecting good guys is straight forward work. Most of the time. But when there's no one to protect Cary risks getting sucked into the very dangers she's there to prevent. When not channeling her Protector magic Cary faces the same vulnerabilities as any human. And those threats multiply when dealing with the Fae. Despite the company of her faery mentor without someone to protect meeting the Fae at a crossroads at midnight means Trouble for Cary. With no clear good guy to step in front of and the dangers of the cold Faery mist creeping in Cary can't help but wonder why she's been called to the crossroads. And what the Fae have in store for the world. keywords Urban fantasy contemporary fantasy fairytales Fae fantasy short story series urban fantasy short story series paranormal fantasy dark fantasy demons and devils witches and wizards elemental fantasy series urban fantasy paranormal shifters urban fantasy magic magic and mayhem myths and legends

Cataclysm, Books 1-4 Ann Gimpel, 2021-02-14 Bundled together for the first time. Over 1200 pages of riveting vampiric urban fantasy. Harsh Line: My very existence is under attack. I've kept a low profile, told myself the craziness sweeping the world would pass me by. Yeah, it was wishful thinking, actually an outright lie, but it's kept me sane. I've been hiding out forever in one guise or another. Currently I run a nightclub. Ascent is an ask me no questions and I'll tell you no lies haven. For everybody I'm a Vampire. Far be it from me to judge. My closest ally is a shapeshifting dire wolf I adopted him when he was a scrawny puppy but I'm getting ahead of my tale. The fragile détente between supernaturals and humans has crashed and burned. I can't avoid the truth any longer. Lucky for me mortals don't know exactly what I am. When I moved to Seattle some vampiric sixth sense urged me to play my cards close to my vest but I'm done burying my secrets. And my power. Warped Line: I chose stasis, a long sleep for me and two of mine. Hard to time these things but we woke in the eye of a cyclone. When I went to sleep to avoid being drained of magic and blood by dark Sorcerers Vampires weren't exactly on the endangered species list but not many of us are left. No one ever accepted us. Not mortals and not others with power either. At least one of those dams has developed a few cracks. Supernaturals aren't quite welcoming but they'll take help from any quarter. Mortals have declared war on magic and they won't rest until we're all sitting in iron clad prisons. What a bunch of cowards. If they weren't hiding behind false humanitarian walls they'd be honest about their intentions and do their damndest to kill us outright. Cracked Line: Vampires don't fall in love. Except I did. Not the best decision of my long life. I definitely cracked an unspoken line but Ariana trounced me as far as line crossing went. Very few acts constitute crimes in Vampire circles. Hers was the worst. I fled to the Old Country to buy myself thinking time. I still loved her but what she'd done was so vile I couldn't set it aside. We face huge problems but I'm tackling them one by one. I'll return to Ariana's side but perhaps only as her comrade in arms. Time will tell if we can be more to each other. Time and circumstances. In a world

without magic Vampires will wither along with every other magic wielder I cannot let that happen Broken Line In all my years as a Vampire hundreds of them I never imagined humans would be anything other than food Rich pure delectable blood Prey that fought back never posed a problem Mortals couldn't stand against those of us with supernatural ability That world still exists but it's taken a backseat to humans who've joined forces with turncoat mages Mortals were never meant to wield power Over the long haul they're sure to be very sorry for the choices they've made Maybe someday I'll be a humble innkeeper again but it's so far in the future I can't even think about it Nope For now all I see is blood Rivers of it and not running down my gullet either On the plus side I have good friends powerful allies and a Vampire who loves me We have to come through this unscathed Have to I'm Ariana Hawke and I take care of what's mine **Sophie Saves the World** Kat Simons, 2024-11-12 Tending bar couldn't prepare her for an adventure through the universe Who knew When someone walks through Sophie's bathroom wall the hardworking bartender is understandably confused First because someone walked through the seemingly solid wall of her bathroom And second because that someone is small and green smells weirdly like peppermint and says his name is Gerald He also claims she needs to save his world Sophie does not consider herself the world saving type In fact she would argue she is the least qualified world saving person to ever be offered the opportunity to save a world But fate has a twisted sense of humor Bravery rises at the strangest times in the strangest places though So maybe a plucky bartender from Las Vegas really can save the world Or at least not die trying Author's Note This story is also published in the collection HAUNTS AND HOWLS AND JESTERS BELLS keywords Urban fantasy paranormal urban fantasy contemporary fantasy magic fantasy adventure fantasy short story collections sword and sorcery witches and wizards dragons and mythological creatures urban fantasy magic magic and mayhem monsters and demons myths and legends paranormal fantasy humorous fantasy portal fantasy *The Scavenger Job* Kat Simons, 2024-12-10 The past might save her future or destroy everything A ten year old secret a holiday season and a walk down memory lane Myra hopes to share these things with Christopher because life is short Especially if you're a magical thief falling hard for the dragon king's son She wants to stay in Christopher's life which means being in Christopher's dragon shifter world But first she needs him to know something about her past Secrets never shared And a treasure left hidden for a very long time Somehow old wrongs always come back to disrupt even the most sentimental journey for Myra though Endangering this one very important job And this time her past not the dragon world threaten their lives as Myra and Christopher race to solve an old mystery Keeping Christopher by her side is the only thing Myra wants for the holidays and the one thing that might be beyond her reach Because even a magical thief can't steal a heart keywords Paranormal Romance Shapeshifter Romance Shifter Romance Dragon Shifter Romance Urban fantasy urban fantasy romance romantasy heist fantasy paranormal urban fantasy contemporary fantasy paranormal fantasy dark fantasy horror fantasy mystery fantasy paranormal mystery crime fiction magic fantasy witches and wizards urban fantasy magic dragons and myths alternate history romance **To Dance in**
