

WE ARE GOING PAPERLESS!

Starting on September 22nd, all classroom communication will be posted on our website. There, you will be able to click on "NEWS" where reminders, updates, announcements and news will be shared. As well, all monthly newsletters will be available in this section during the first week each month.

We will NOT be sending paper copies of these communications. It will be your responsibility to check the website regularly.

You can connect to our website by PC, tablet or smart phone at:
stilesandkinders.weebly.com

Also, you can follow us on Twitter!

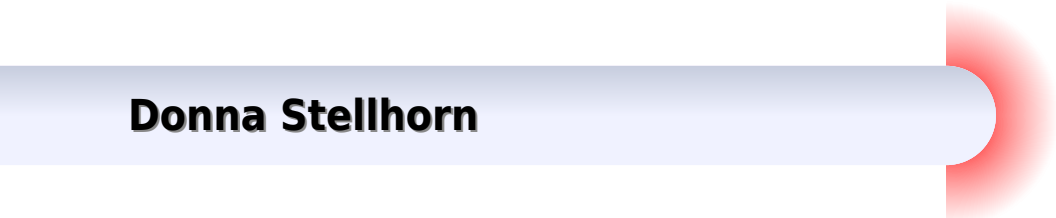

If your child is in Kinder C, you can follow us at @LEOKinderC

Please return this portion to school.

I _____ (parent name) have read the "Going Paperless" letter. I understand that all classroom communication will be posted on the website under "News" at stilesandkinders.weebly.com

Sample Letter To Customers About Going Paperless

Donna Stellhorn

Sample Letter To Customers About Going Paperless:

Career Errors Frank Burtnett, 2014-08-07 Career Errors Straight Talk About the Steps and Missteps of Career Development examines the career development encounters that people experience across their life span The book begins with a comprehensive examination of the career development process and why these eight phases must be understood in order for career satisfaction and success to be achieved This analysis is followed by a meticulous treatment of 25 things members of the workforce do wrong or don't do in pursuit of our career ambitions Conducting an effective job search dealing with job loss or termination and how best to prosper in the workplace are among the subjects included Throughout the book the author sets life work balance as a paramount goal and outlines strategies about how this illusive objective can be achieved Career Errors is the next best thing to having a professional career counselor in the room While written for the individual experiencing the various life and work activities this book is also of significant value to counselors educators and others playing important roles in these transitions
