Todd Billings,2007-11-15 Is the God of Calvin a fountain of blessing or a forceful tyrant Is Calvin s view of God coercive leaving no place for the human qua human in redemption These are perennial questions about Calvin s theology which have been given new life by Gift theologians such as John Milbank Graham Ward and Stephen Webb J Todd Billings addresses these questions by exploring Calvin s theology of participation in Christ He argues that Calvin s theology of participation gives a positive place to the human such that grace fulfils rather than destroys nature affirming a differentiated union of God and humanity in creation and redemption Calvin s trinitarian theology of participation extends to his view of prayer sacraments the law and the ecclesial and civil orders In light of Calvin s doctrine of participation Billings reframes the critiques of Calvin in the Gift discussion and opens up new possibilities for contemporary theology ecumenical theology and Calvin scholarship as well The Institutes of the Christian Religion Jean Calvin,John Allen,1819 A Guide to the

[Second edition.] Mansfield TURNER (and HARRIS (William) of Leicester.),1871 **Learning to Pray** Pieter

Veerman,2025-06-16 Pieter Veerman in his work explains why the Heidelberg Catechism is a unique teacher of thankfulness in its sixteenth century context Veerman provides an in depth theological analysis of Q A 115 129 The author compares this teaching with Catholic Lutheran and Reformed catechetical writings demonstrating that the Heidelberg Catechism is a synthesis of earlier theological thought The explanation of the Lord s Prayer is central as it is within the broader catechetical tradition The Heidelberg Catechism s uniqueness lies in its thoughtful presentation and integration of various elements By presenting catechetical answers in the form of prayers themselves this catechism establishes itself as a valuable manual of piety It differs from contemporaneous Catholic catechisms by emphasizing that true prayer arises from the heart Its emphasis on the Holy Spirit is a distinctly Reformed feature *Life of Catherine McAuley, foundress and first Superior of the Institute of Religious Sisters of Mercy. By a Member of the Order of Mercy. With an introduction by the Venerable Richard Baptist O'Brien, etc* Catherine Elizabeth MACAULEY,1866 **Embracing Contemplation** John H. Coe,Kyle C. Strobel,2019-02-26 What does a Christian life lived by the Spirit look like Bringing together Protestant scholars and practitioners of spiritual formation this volume offers a distinctly evangelical consideration of the benefits of contemplation Drawing on historical examples from the church including John Calvin Richard Baxter Jonathan Edwards and John Wesley this book considers how contemplative prayer can shape Christian living today *The Teacher's Hand-book, for the Institute and the Class Room* William Franklin Phelps,2025-07-09 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Life of Antonio Rosmini Serbati, Founder of the Institute of Charity** Gabriel Stuart MacWalter,1883 **Calvin's Doctrine of The Christian Life** Ronald Wallace,1997-06-23 In his study of a wide range of Calvin s works Dr Wallace has found that all Calvin s decisions on widely differing aspects of the Christian life can be understood and seen in their unity as they arise from his doctrine of the person and work of Christ as involving once for all the sanctification and destiny of the Church In this context the book shows that humanity lives the Christian life as they seek to fulfill their calling to royal priesthood in Christ in union with his death and resurrection **John Calvin and the Righteousness of Works** Kevin P. Emmert,2021-07-12 John Calvin s understanding of works righteousness is more complex than is often recognized While he denounces it in some instances he affirms it in others This study shows that Calvin affirms works righteousness within the context where faith righteousness is already established and that he even teaches a form of justification by works Calvin ascribes not only a positive role to good works in relation to divine acceptance but also soteriological value to believers good works This study demonstrates such by exploring Calvin s theological anthropology his understanding of divine human activity his teaching on the nature of good works and

his understanding of divine grace and benevolence It also addresses current debates in Calvin scholarship by exploring topics such as union with Christ the relation between justification and sanctification the relation between good works and divine acceptance the role of good works in the Christian life and the content of good works **Deus providebit** Sung-Sup Kim,2014-09-01 This dissertation intervenes in Reformed readings of the doctrine of providence particularly around Barth s critical interpretation of the tradition stemming from Calvin and Schleiermacher Kim argues that while Barth advances the discussion his reading of Calvin is significantly hampered by his challenge to Schleiermacher Kim provides an extensive reading Calvin s writings demonstrating that Calvin is more concerned with the Christological basis and Christian meaning of providence than Barth s theology recognizes as well Schleiermacher s theological construction problematizes aspects of Barth s reading All that the Prophets Have Declared Matthew R Malcolm,2015-02-01 Jesus and the New Testament writers use their Scriptures in ways that may seem foreign to those who use those same Scriptures today This volume considers how the identities and missions of Jesus and his earliest followers were informed by their surprising readings of the Scriptures Contents Larry Hurtado Core OT texts and their Christological Interpretation Ian Malcolm Roland Deines Scripture and Jesus Donald West Acts 4 and Prayer Ben Sutton Acts 10 and Peter Mark Seifrid Scripture and Paul Lionel Windsor Seed Many One in Galatians Martin Foord Psalm 68 in Ephesians Mark Keown Scripture in Philippians Allan Chapple Scripture and 1 Peter Matthew Malcolm Triadic Figures in Hebrews Rory Shiner Reading the New Testament from the Outside **Institutes of the Christian Religion** Jean Calvin,2008 Hendrickson offers a one volume hardcover edition of one of Western Christianity s foundational works Re typeset into a clean and modern typeface this edition is easy to read for the modern eye This book will appeal to libraries seminarians pastors and laypeople Institutes of the Christian Religion by John Calvin is an introduction to the Bible and a vindication of Reformation principles by one of the Reformation s finest scholars At the age of twenty six Calvin published several revisions of his Institutes of the Christian Religion a seminal work in Christian theology that altered the course of Western history and that is still read by theological students today It was published in Latin in 1536 and in his native French in 1541 with the definitive editions appearing in 1559 Latin and in 1560 French The book was written as an introductory textbook on the Protestant faith for those with some learning already and covered a broad range of theological topics from the doctrines of church and sacraments to justification by faith alone It vigorously attacked the teachings of those Calvin considered unorthodox particularly Roman Catholicism to which Calvin says he had been strongly devoted before his conversion to Protestantism The over arching theme of the book and Calvin s greatest theological legacy is the idea of God s total sovereignty particularly in salvation and election **Cassian the Monk** Columba Stewart,1998 This book is a study of the life monastic writings and spiritual theology of John Cassian c 360 435 His Institutes and Conferences are a remarkable synthesis of earlier monastic traditions especially those of fourth century Egypt informed throughout by Cassian s awareness of the particular needs of the Latin monastic movement he was helping to shape

Sometimes portrayed as simply an advocate of the sophisticated spiritual theology of Evagrius of Ponticus 360-435, Cassian was actually a theologian of keen insight, realism, and creativity. His teaching on sexuality is unique in early monastic literature in both its breadth and its depth, and his integration of biblical interpretation with the ways of prayer and teaching on ecstatic prayer are of fundamental importance for the Western monastic tradition. The only Latin writer included in the classic Greek collections of monastic sayings, Cassian was the major spiritual influence on both the Rule of the Master and the Rule of Benedict as well as the source for Gregory the Great's teaching on capital sins and compunction. Columba Stewart's book is the first major study of Cassian to be published in twenty years. It begins by establishing Cassian's credibility as a teacher on the basis of his own experience as a monk and his familiarity with the fundamental literary sources. Stewart then turns to Cassian's spiritual theology, paying particular attention to Cassian's view of the monastic journey in eschatological perspective, his teaching on continence and chastity, the Christological basis of biblical interpretation and prayer, his method of unceasing prayer, and his integration of ecstatic experience with an Evagrian theology of prayer. Prayer: A Guide for the Perplexed Ashley Cocksworth, 2018-07-12. Central to the Christian life is the practice of prayer. But what theologically speaking is going on when we pray? What does prayer have to do with religious belief and action? Does prayer make a difference? Prayer: A Guide for the Perplexed addresses these and other key questions regarding the Christian theology of prayer. Beginning with Evagrius of Ponticus's *On Prayer*, Ashley Cocksworth finds in this early document a profound expression of the integrity of the experience of prayer and theological thought. Seeking throughout to integrate systematic theology and the spirituality of prayer, individual chapters explore the meaning of some of the core doctrines of lived Christian faith: the Trinity, creation, providence, and the Christian life as they relate to the practice of prayer. Complete with an annotated bibliography of sources on prayer, to promote further reading, this volume appeals to academics and general readers alike.
