On The Edge The Art Of High Impact Leadership:

On the Edge Alison Levine, 2014-07-04 *On the Edge* is an engaging leadership manual that provides concrete insights garnered from various extreme environments ranging from Mt Everest to the South Pole By reflecting on the lessons learned from her various expeditions author Alison Levine makes the case that the leadership principles that apply in extreme adventure sport also apply in today's extreme business environments Both settings require you to be able to make crucial decisions on the spot when the conditions around you are far from perfect Your survival and the survival of your team depend on it *On the Edge* provides a framework to help people scale whatever big peaks they aspire to climb be they literal or figurative by offering practical humorous and often unorthodox advice about how to grow as a leader *Dreamers & Doers* Janika Vaikjärv, 2015-12-13 *Dreamers Doers* is the world's first book about women who have climbed Kilimanjaro More than 50 authors of 30 different nationalities have contributed their inspirational stories to this one of a kind book The idea for the book was born a few years ago An old Kilimanjaro guide told the author about his life and that he was working solely to support his grandchildren without his help they could not afford an education This little story was the beginning of something big a book and a school textbook *Women and Kilimanjaro Children and education* The mission of the book is to inspire women around the world to dream bigger and to do what is needed to fulfil their dreams It also aims to draw attention to more equal opportunities for education for all children Everyone who buys *Dreamers Doers* provides one Tanzanian schoolchild with a textbook *GUIDE TO BECOMING AN EFFECTIVE MANAGER* Richard Pazasis, 2019-09-16 *Guide to Becoming an Effective Manager* Thoughts for Consideration is a very focused succinct and easy to read book for those wishing to develop and perfect leadership and management skills and for employees to understand what type of leadership they should expect to help them successfully meet the mission and goals of their employer while at the same time being fulfilled in their jobs Its format also provides proven theory with practical applications to be immediately applied while on the job including a self evaluation and development chart A common thread throughout the book encourages the learning and use of sound leadership and management theory and to accept the fact that the most important knowledge and skill required for leaders and managers to be effective is to understand the social systems individual differences needs and value systems of human beings as well as how best to motivate people a A section listing my Author's Contact E Mail Address rap authorconsultant charter net b A section displaying the following information utilizing this wording Use Author's E Mail Address to submit inquiries related to Book Signings Classroom Visits Consulting Services Public Appearances and Workshops *War, Peace and Organizational Ethics* Michael Schwartz, Howard Harris, 2020-09-17 In this double blind peer reviewed volume expert contributors draw upon philosophers such as Aristotle Alasdair MacIntyre and Emmanuel Levinas in order to explore how the ethics of war and peace resonate with organizational ethics **GREAT REFLECTIONS ON SUCCESS** FOLORUNSHO MEJABI, 2015-11-13 He has achieved success who has lived well laughed often and loved much Who has enjoyed the trust of

pure women the respect of intelligent men and the love of little children Who has filled his niche and accomplished his task
 Who has never lacked appreciation of Earth's beauty or failed to express it Who has left the world better than he found it
 Whether an improved poppy a perfect poem or a rescued soul Who has always looked for the best in others and given them
 the best he had Whose life was an inspiration Whose memory a benediction **Hidden Potential** Adam Grant, 2023-11-14 1
 New York Times Bestseller This brilliant book will shatter your assumptions about what it takes to improve and succeed I
 wish I could go back in time and gift it to my younger self It would've helped me find a more joyful path to progress Serena
 Williams 23 time Grand Slam singles tennis champion The 1 New York Times bestselling author of *Think Again* illuminates
 how we can elevate ourselves and others to unexpected heights We live in a world that's obsessed with talent We celebrate
 gifted students in school natural athletes in sports and child prodigies in music But admiring people who start out with innate
 advantages leads us to overlook the distance we ourselves can travel We underestimate the range of skills that we can learn
 and how good we can become We can all improve at improving And when opportunity doesn't knock there are ways to build a
 door *Hidden Potential* offers a new framework for raising aspirations and exceeding expectations Adam Grant weaves
 together groundbreaking evidence surprising insights and vivid storytelling that takes us from the classroom to the
 boardroom the playground to the Olympics and underground to outer space He shows that progress depends less on how
 hard you work than how well you learn Growth is not about the genius you possess it's about the character you develop Grant
 explores how to build the character skills and motivational structures to realize our own potential and how to design systems
 that create opportunities for those who have been underrated and overlooked Many writers have chronicled the habits of
 superstars who accomplish great things This book reveals how anyone can rise to achieve greater things The true measure of
 your potential is not the height of the peak you've reached but how far you've climbed to get there **Rock and Mountain
 Survival Stories** Liz Sonneborn, 2023-12-15 Rocky areas and mountains are breathtaking and attract hikers rock climbers
 cyclists and other adventurers But spending time in a rocky or mountainous area has potentially deadly risks This title
 examines the experiences of people who have faced death in these areas and survived Readers will learn about the unique
