One Of The Gang Sexualized Violence In Vietnam War Films:

Sexualized Violence in Vietnam War Films Mandy Oviatt, 2015-01-11 Rape and sexual violence is a common theme in literature and film surrounding war in particular the Vietnam War Whether the soldier is portrayed as either hero villain or both there is frequently an element of sexual trauma inflicted on someone within the story The focus in this book not to determine the frequency of rape or the number of rapes that occurred during the Vietnam War Instead I seek to discuss the socialization processes that encouraged rape proclivities the link between sex and violence that enhances the opportunity to rape the rationales behind rape in Vietnam and to show how films about the Vietnam War accurately portrayed these processes For this book I examine the films Platoon 1986 Casualties of War 1989 and Full Metal Jacket 1989 **Selling Sex on Screen** Karen A. Ritzenhoff, Catriona McAvoy, 2015-07-16 Whether in mainstream or independent films depictions of female prostitution and promiscuity are complicated by their intersection with male fantasies In such films issues of exploitation fidelity and profitability are often introduced into the narrative where sex and power become commodities traded between men and women In Selling Sex on Screen From Weimar Cinema to Zombie Porn Karen A Ritzenhoff and Catriona McAvoy have assembled essays that explore the representation of women and sexual transactions in film and television Included in these discussions are the films Breakfast at Tiffany's Eyes Wide Shut L A Confidential Pandora's Box and Shame and such programs as Buffy the Vampire Slayer and Gigolos By exploring the themes of class differences and female economic independence the chapters go beyond textual analysis and consider politics censorship social trends laws race and technology as well as sexual and gender stereotypes By exploring this complex subject Selling Sex on Screen offers a spectrum of representations of desire and sexuality through the moving image This volume will be of interest not only to students and scholars of film but also researchers in gender studies women's studies criminology sociology film studies adaptation studies and popular culture **Silence in the Quagmire** Harriet E. H. Earle, 2025-05 In Silence in the Quagmire Harriet E H Earle uses silence to construct a narrative of the Vietnam War via U S comics Unlike the vast majority of cultural artifacts and scholarly works about the war which typically focus on white working class American servicemen and their experiences of combat Earle's work centers less visible players the Vietnamese on both sides of the conflict women and girls and returning veterans Earle interrogates the ways this conflict is represented in American comic books with special focus on these missing groups She discusses how and more critically why these groups are represented as they are if they're represented at all and the ways these representations have affected views of the war during and since Using Michel Foucault's understanding of silence as discourse Earle considers how both silence and silencing are mobilized in the creation of the U S centric war narrative Innovative in its structure and theoretical scaffolding Silence in the Quagmire deepens our understanding of how comic books have represented the violence and trauma of conflict **Trauma and Memory Studies: Responses from India and Beyond** Simi Malhotra, Sheikh Sana Assad, Farhana Tasnim, Somya Charan Pahadi, Sango

Bidani,2025-09-20 This edited volume offers a comprehensive revaluation of Trauma and Memory Studies foregrounding perspectives from India and beyond It critically interrogates the prevailing Euro centric paradigm within the field advocating for the amplification and contextualization of voices originating from South Asian spatial and temporal contexts Departing from conventional West North centric narratives the text prioritizes the narratives of historically marginalized survivor groups encompassing individuals affected by pivotal events such as the 26 11 terror attacks in Mumbai the Bengal famine the dispersion of the Indian diaspora and the experiences of incarcerated populations in Iran Kenya Palestine etc Through an in depth exploration of societal mechanisms for remembrance and coping strategies vis vis traumatic episodes such as the Jallianwala Bagh massacre the book unveils the intricate interplay of political cultural and social dynamics It explores the complicated dynamics of post colonial and post conflict societies in India by using a range of interdisciplinary methodologies such as examining artistic expressions oral histories and digital media It discusses the ongoing debate between hegemonic historical narratives and the often marginalized voices of subaltern communities This book serves as an indispensable resource for academics students and researchers committed to the exploration of trauma and memory within non Western contexts

Hollywood High Bruce Handy,2025-05-20 From a longtime Vanity Fair writer and editor a delightfully entertaining intelligent and illuminating history and tribute to teen movies from Rebel Without a Cause to Fast Times at Ridgemont High and on to John Hughes Mean Girls The Hunger Games and more Provided by publisher Vampires, Dragons, and Egyptian Kings Eric C. Schneider,2021-01-12 They called themselves Vampires Dragons and Egyptian Kings They were divided by race ethnicity and neighborhood boundaries but united by common styles slang and codes of honor They fought and sometimes killed to protect and expand their territories In postwar New York youth gangs were a colorful and controversial part of the urban landscape made famous by West Side Story and infamous by the media This is the first historical study to explore fully the culture of these gangs Eric Schneider takes us into a world of switchblades and slums zoot suits and bebop music to explain why youth gangs emerged how they evolved and why young men found membership and the violence it involved so attractive Schneider begins by describing how postwar urban renewal slum clearances and ethnic migration pitted African American Puerto Rican and Euro American youths against each other in battles to dominate changing neighborhoods But he argues that young men ultimately joined gangs less because of ethnicity than because membership and gang violence offered rare opportunities for adolescents alienated from school work or the family to win prestige power adulation from girls and a masculine identity In the course of the book Schneider paints a rich and detailed portrait of everyday life in gangs drawing on personal interviews with former members to re create for us their language music clothing and social mores We learn what it meant to be a down bopper or a jive stud to fish with a beautiful deb to the sounds of the Jesters and to wear gang sweaters wildly colored zoot suits or the Ivy League look He outlines the unwritten rules of gang behavior the paths members followed to adulthood and the effects of gang intervention programs while also

providing detailed analyses of such notorious gang related crimes as the murders committed by the Capeman Salvador Agron Schneider focuses on the years from 1940 to 1975 but takes us up to the present in his conclusion showing how youth gangs are no longer social organizations but economic units tied to the underground economy Written with a profound understanding of adolescent culture and the street life of New York this is a powerful work of history and a compelling story for a general audience

Subversive Horror Cinema Jon Towlson, 2014-04-03 Horror cinema flourishes in times of ideological crisis and national trauma the Great Depression the Cold War the Vietnam era post 9 11 and this critical text argues that a succession of filmmakers working in horror from James Whale to Jen and Sylvia Soska have used the genre and the shock value it affords to challenge the status quo during these times Spanning the decades from the 1930s onward it examines the work of producers and directors as varied as George A Romero Pete Walker Michael Reeves Herman Cohen Wes Craven and Brian Yuzna and the ways in which films like *Frankenstein* 1931 *Cat People* 1942 *The Woman* 2011 and *American Mary* 2012 can be considered subversive

Rape-Revenge Films Alexandra Heller-Nicholas, 2021-03-30 Often considered the lowest depth to which cinema can plummet the rape revenge film is broadly dismissed as fundamentally exploitative and sensational catering only to a demented regressive demographic This second edition ten years after the first continues the assessment of these films and the discourse they provoke Included is a new chapter about women directed rape revenge films a phenomenon that revitalized since MeToo exploded in late 2017 is a filmmaking tradition with a history that transcends a contemporary context Featuring both famous and unknown movies controversial and widely celebrated filmmakers as well as rape revenge cinema from around the world this revised edition demonstrates that diverse and often contradictory treatments of sexual violence exist simultaneously
