One Southern Night A Novella:

All Other Nights: A Novel Dara Horn, 2009-04-02 On Passover in 1862 Jacob Rappaport a Jewish soldier in the Union army is ordered to murder his own uncle who is plotting to assassinate President Lincoln After that night will Jacob ever speak for himself *Kangaroo (Historical Novel)* D. H. Lawrence, 2019-12-18 Kangaroo is a tale of a visit to New South Wales by an English writer named Richard Lovat Somers and his German wife Harriet in the early 1920s Kangaroo is the nickname of Benjamin Cooley a prominent ex soldier and lawyer who is also the leader of a secretive fascist paramilitary organisation the Diggers Club Cooley fascinates Somers but he maintains his distance from the movement itself The novel is autobiographical based on a three month visit to Australia by D H Lawrence and his wife Frieda in 1922 **Silenced in the Library** Zeke Jarvis, 2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free This examination of banned books across U S history examines the motivations and effects of censorship shows us how our view of right and wrong has evolved over the years and helps readers to understand the tremendous importance of books and films in our society Books ranging from classics such as A Farewell to Arms Lord of the Rings The Catcher in the Rye and The Color Purple as well as best selling books such as Are You There God It's Me Margaret titles in the Harry Potter series and various books by bestselling novelist Stephen King have all been on the banned books list What was the content that got them banned who wanted them banned and did the ban have the desired effect of minimizing the number of people who read the title or did it have the opposite effect inadvertently creating an even larger readership for the book **Silenced in the Library** Banned Books in America provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption Included in its discussion are explanations of the true nature of the objections along with the motives of the authors publishers and major proponents of the books Content is organized based on why the books were banned such as sexual content drug use or religious objections This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years Readers will come away with a fuller appreciation of the immense power of words on a page or an eReader device to inflame and outrage influence opinion incite thought and even change the course of history [Library of Southern Literature: Supplement no. 1](#) Edwin Anderson Alderman, Charles Alphonso Smith, 1923
