One Tough Cookie English Edition:

One Tough Cookie Delise Torres, 2023-07-18 A Latina Fleabag committed to her carefree single life meets a sexy new mechanic determined to break through her defenses in this humorous and heartfelt foodie women's fiction set at a cookie company. All cookies are made with love even if twenty-seven-year-old Karina Cortez doesn't believe in the concept. For her a simple life with no attachments is a good life. And her life is indeed good even with her biggest accomplishment being passing the GED exam. Karina is able to secure an incredible and well-paying job at Singular Cookies Inc, a small family-owned cookie manufacturing plant in Fort Pierce, Florida. And although the founders of the company treat her like family, Karina insists she doesn't need or want one. Not after her mother chose a man over her own daughter, pushing the young Karina to move out and make it on her own. And she couldn't be happier with her single life unlike her friends whose lives revolve around men. Work and play collide when she meets the company's hot new mechanic Ian Feliciano who stirs up feelings she tends to avoid. Karina knows she shouldn't date him but she's strong, she'll never turn pathetic like her friends or especially her mom. And with a looming plant inspection and trying to break up the CEO's new romance, Karina has enough to distract herself. As the inspection draws near and Karina battles her heart, she'll have to decide whether to continue holding on to deeply ingrained beliefs that keep everyone at bay or learn that love is not as dangerous as she fears. And in the end, it is our history, our singular recipe that shapes how we live.
