**One Hope** Derek R. Nelson, 2015-01-12 One Hope Re Membering the Body of Christ is a rich ecumenical resource designed to help Catholic and Lutheran communities mark the approaching 500th anniversary of the Reformation By gathering together to reflect on and discuss its contents Christians will foster the church's unity on a grassroots level and grow in their awareness of the ways that unity already exists The essays in One Hope are the product of an intense collaborative process by six gifted scholars and pastoral leaders three Lutheran and three Catholic *One Hope* Derek R. Nelson, 2015 One Hope Re Membering the Body of Christ is a rich ecumenical resource designed to help Catholic and Lutheran *Re-membering the Body* Scott W. Bullard, 2013-11-01 For centuries Baptists have regarded the Eucharist or Lord's Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re-members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon's work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church's disunity through the Eucharist **Re-Membering the Body** Anthony R. Doyle, Theodore G. Dedon, 2021-05-04 This book offers ecumenical essays that focus on Reformation Christianity and on current Lutheran Catholic understandings and relationships It addresses important issues including the meaning of the Reformation the reception of Luther in Germany and beyond contemporary ecumenical dialogues and pathways to the future There is also some inclusion of Jewish and Orthodox traditions as well as attention to global issues Taken as a whole the primary method of this book is theology informed by history hermeneutics ethics and social theory Within the structure of the book can be found the classic hermeneutical circle What was the meaning of the Reformation for Luther in his own time What are various ways in which Luther and the Reformation have been interpreted in history How does knowledge of these things help us today to understand the Reformation and to move forward *Holy Ground* Julie K. Aageson, 2018-01-01 Too often we turn prayer into well intentioned patterns of our own making Too often we assume prayer is primarily about words Sometimes there's an almost magical understanding that if we get the words right if we trust enough or believe enough God will answer But most of us know that God is not a divine magician or our own personal valet and that prayer is much more than our feeble attempts to make God pay attention to what God already knows Using the alphabet as a template of descriptive words and actions *Holy Ground* An Alphabet of Prayer invites reflection about prayer as paying Attention looking for Beauty showing Compassion practicing Devotion celebrating Enthusiasm all the way to the end of the alphabet and discovering Wonder X as mystery and Z as Zeal These reflections will help readers experience prayer as a place an action or attitude a stance for recognizing and acknowledging God's presence in the midst of ordinary life something like the sigh of the shoemaker too busy to drop his worn shoes and kneel in disciplined prayer but not too busy to sigh his prayer of gratitude Prayer is so much

more than words     Holy Faces Julie K. Ageson, 2023-12-05 This eclectic perhaps quirky collection of reflections celebrates a longing to know who we are who and what God is and what the world is like In joy and sorrow each one mirrors the holiness of life eliciting reverence for ourselves the natural world and the mystery of what it means to be Each conveys a sense of awe and wonder while pointing beyond mere observation a deeper and more profound encounter than may first meet the eye The faces of poets Mary Oliver and Brian Doyle help illumine the natural world The faces of prophets Brian Blount Desmond Tutu and John Lewis inspire engagement and action Julian of Norwich continues to astound and astonish with her discerning writings and visions And the Buddha in his last hours admonishes frightened villagers to make of yourselves a light Readers will be reminded of faces from the recent pandemic and the grief of suicide together with the joy of new life In faces known and unknown this book honors holy faces that grace our lives These are faces where I see God

**Finding Home** Julie K. Ageson, 2020-07-24 For all who know the security of home in all its iterations and for those who don't finding home is complicated Home always is characterized by joy and sorrow grief and gladness the realities of complicated lives What is it like to flee the horrors of war as a refugee in search of home When daily life is unbearable what exactly does home mean How do we learn to be at home in our bodies at home with ourselves What does it mean to be made in the likeness of the Holy One Can we find home in the company of strangers and how do we reclaim our earth home So many images swim just below the surface of my memory all the houses where I came to know home It takes little to retrieve them a shared story the pungent smell of tide flats the sound of rain on a tin roof But home of course is much more than houses These reflections invite readers to explore identity the importance of rootedness discovering home away from home what it means to be home for one another Finding home literally and metaphorically is challenging

*The Difficult But Indispensable Church* Norma Cook Everist, In this volume of fresh thinking about life in a Christian community 21 theologians attest to Christ-centered communities and offer new views of church as an essential healer

Remembering the Body Sarah Travis, 2025-03-18 Debates about human sexuality have divided the church across denominations The Body of Christ has been wounded by profound theological disagreement Preaching can be a healing balm for those who have been bruised and harmed by these debates This book asks the church to remember its own nature as a Body that has a baptismal identity rooted in the triune God We remember the beauty and value of the human body and we remember that we belong to a baptismal community with a distinctive ethic Sermons are an opportunity to refresh and heal a Body that has been broken by division By affirming sexuality and the body preachers can build toward an affirmation of all sexual identities while making space for those whose theology is not affirming In recovering the body as a focus for

preaching this book argues for a more equitable and inclusive understanding of Christian identity

**Incarnating Grace** Julia Feder, 2023-11-07 Prioritizes survivors of abuse by reexamining Christian ideals about suffering and salvation More than half of women and almost one in three of men in the United States have experienced sexual violence at some time in their lives Yet our Christian tradition has failed survivors of sexual violence who have been taught to believe that traumatic suffering brings us closer to God Incarnating Grace attempts to save our broken ways of talking about God's grace by unearthing liberating resources buried in the Christian tradition Christian ideas about salvation have historically contributed to sexual violence in our communities by reinforcing the idea that suffering is salvific But a God worth worshipping does not want human beings to suffer Drawing on the sixteenth century Spanish mystic Teresa of Avila as well as contemporary political and feminist theologians philosophers and legal scholars author and Associate Professor of theology Julia Feder offers an account of Christian salvation as mystical political Feder begins by describing the breadth of traumatic wounding and the shape of traumatic recovery as articulated by psychologists Since the fullness of post traumatic healing requires reserves deeper than those which can be articulated by the secular field of psychology alone the book then introduces the Spanish Carmelite Saint Teresa of Avila and her theological insights which are most helpful for constructing a post traumatic theology of healing Arguing that God stands against violence and suffering the book also examines the notion of senseless suffering a technical term that comes from Edward Schillebeeckx a Catholic twentieth century Flemish priest and theologian The suffering of sexual violence serves no higher purpose or greater human value and pushes against all ways of making sense of the world as good and orderly In the following chapters Feder turns to two Christian virtues that animate post traumatic recovery courage and hope and explores how Christian hope can provide a language to empower courageous activity undertaken toward healing Incarnating Grace opens a new dialogue about salvation and violence that does not allow evil to have the last word

dealing with contemporary challenges and uncertainties Whether exploring mystic Hildegard von Bingen strategic thinker Queen Elizabeth or theologians Jean Luc Marion and Sarah Coakley readers venture into a Trinitarian Goldilocks zone of faith hope and love Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error promise and glory Illuminating ancient Christian practice with cutting edge philosophy and theology he reveals the lifelong habits that are just right for encountering the mystery of God

**The Final Days** Matt Rawle, 2024-12-17 This Lent ponder the themes of justice poverty freedom and love The four New Testament Gospels aren't the same story but they offer the same Resurrection hope Matthew Mark Luke and John devote most of their story detailing Jesus' last week in Jerusalem all highlighting Jesus' triumphant entry into the city the suffering and humiliation of the cross and the empty tomb come Sunday morning but the stories they tell aren't quite the same Each Gospel offers a different lens through which we understand Jesus' Passion One portrait reveals Jesus to be in control while another emphasizes his suffering In one story Jesus offers hope to the thief on the cross and in another Jesus only receives derision These different perspectives aren't a reason to dismiss the Gospels rather they reveal an abundant diverse and complementary picture of God's work in the suffering death and resurrection of Jesus Other components for the study include a leader guide and teaching video are available

[Exorcising Philosophical Modernity](#) Philip John Paul Gonzales, 2020-03-18 What should Christian discourse look like after philosophical modernity In one manner or another the essays in this volume seek to confront and intellectually exorcise the prevailing elements of philosophical modernity which are inherently transgressive disfigurations and refigurations of the Christian story of creation sin and redemption To enact these various forms and styles of Christian intellectual exorcism the essays in this volume make appeal to and converse with the magisterial corpus of Cyril O'Regan The themes of the essays center around the gnostic return in modernity apocalyptic theology and the question of the bounds and borders of Christian orthodoxy Along the way diverse figures are treated such as Hegel Shakespeare von Balthasar Przywara Ricouer Deleuze Merleau-Ponty and Kristeva Exorcising Philosophical Modernity Cyril O'Regan and Christian Discourse after Modernity is a veritable feast of post-modern Christian thought
