Microsoft Office 2010 with Microsoft Office 2010 Evaluation Software Microsoft Official Academic Course, 2012-01-24
This Microsoft Office 2010 text introduces students to the various applications included in Microsoft Office. The program is based upon the same curriculum as the Microsoft Office Specialist Exam to build the skills students need to succeed at work. The Microsoft Official Academic Courseware MOAC Office 2010 Series is the only Official Academic Course program. Automated grading via OfficeGrader saves instructors time and enables consistent grading. Furthermore, the latest edition's use of color in screen captures allows users to follow on screen much easier as screen captures will look the exact same as the application. Additional projects throughout the book help users comprehend how a task is applied on the job. OfficeGrader helps instructors offer immediate feedback on all homework assignments and projects and additional animated tutorials on key Office tasks provides additional help on difficult topics. *Microsoft Office 2007 for Windows* Steve Schwartz, 2007-05-31 Completely redesigned to help users finish tasks more quickly and manage information more effectively. Microsoft Office 2007 will offer users a new look and smarter ways of getting things done. From the expanded depth and power of Excel 2007 to the new graphics capabilities and formatting tools of PowerPoint, Microsoft has rethought and reworked the entire suite. And in this new edition of our Office Visual QuickStart Guide, author Steve Schwartz has rewritten from the ground up the entire book to better aid readers as they get up to speed with the new Office tools. The book is an essential reference tool for the home and small business user, covering everything in the Office Basic Home Student Standard and Small Business suites. Software covered includes Word, Excel, OneNote, Outlook, PowerPoint, and Publisher. Easy visual approach uses pictures to guide you through Microsoft Office and show you what to do. Concise steps and explanations let you get up and running in no time. Page for page, the best content and value around. Flip the Script Oren Klaff,2019-08-13 THE BESTSELLING AUTHOR OF PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION Is there anything worse than a high pressure salesperson pushing you to say yes then sign on the dotted line before you re ready If there s one lesson Oren Klaff has learned over decades of pitching presenting and closing long shot high stakes deals it s that people are sick of being marketed and sold to Most of all they hate being told what to think The more you push them the more they resist What people love however is coming up with a great idea on their own even if it s the idea you were guiding them to have all along Often the only way to get someone to sign is to make them feel like they re smarter than you That s why Oren is throwing out the old playbook on persuasion Instead he ll show you a new approach that works on this simple insight Everyone trusts their own ideas If rather than pushing your idea on your buyer you can guide them to discover it on their own they ll believe it trust it and get excited about it Then they ll buy in and feel good about the chance to work with you That might sound easier said than done but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation And as you ll see in this book Oren has been in a lot of different situations He ll show you how he got a billionaire to take him seriously how he got a venture capital firm to cough up capital and how he made a skeptical Swiss banker see him as an expert in banking He ll even show you how to become so compelling that buyers are even more attracted to you than to your product These days it s not enough to make a great pitch To get attention create trust and close the deal you need to flip the script
