Dear Middle School Algebra I Teacher,

The Algebra I curriculum is the Michigan High School Content Expectations (HSCEs). The purpose of this pacing guide is to provide an instructional outline to ensure that all HSCEs are taught to all students. The textbook is only an instructional tool to help students succeed in mathematics. The following pages identify specific content in the district adopted textbook series to assist students in meeting the state HSCEs. By using the appropriate level of differentiated support, all students can meet the Algebra I HSCEs.

- The outline above identifies the specific textbook lessons that align with the Algebra I HSCEs. These lessons should be taught to students during the designated marking periods. These lessons are also identified on the following pages under "Teacher Edition".
- Lessons not identified in the above chart can be used to provide scaffolded support to students in your classroom (i.e., 1-2, 2-6, etc.).
- Additional instructional materials can be found in the ancillary material kits:
 - Differentiated Instruction: Chapter Resources 1-13 (Study Guide and Intervention, Practice, Reading to Learn Mathematics, Enrichment) Reading and Writing in the Mathematics Classroom, Teaching with Manipulatives, Closing the Gap for Absent Students, WebQuest and Project Resources, Graphing Calculator and Spreadsheet Masters, School-to-Career Masters
