To Whom It May Concern:

I am writing this letter in support of Kristen Hjelmhaug. I am a clinical instructor in the 5th semester course "Nursing Care of Complex, High Acuity, or Critically Ill Patients". Kristen was a student in my clinical group.

Kristen presented herself as an efficient student. She demonstrated her ability to provide safe patient care. She was able to establish a good relationship with her patients, families, peers, and hospital staff. Her clinical worksheets and evaluations provided evidence of strong critical thinking skills and knowledge of the nursing process. During clinical shifts, Kristen demonstrated professionalism and knowledge of nursing skills at the level of the 5th semester nursing student. She actively sought new experiences and challenges. She made herself available to help her classmates as primary nurses. I received positive feedback about her clinical performance from staff nurses.

I would like to recommend Kristen Hjelmhaug for a new graduate nursing position. If you have any questions regarding this recommendation, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Valerie Shadroff".
