Family travel to Beijing

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

Keys to Inspiration Steve Ford, 2018-02-06 Student-centered instruction is the buzzword among today's educators yet the teaching of writing is still very top-down. Student-centered should mean student-inspired and that's where *Keys to Inspiration* comes in. The path to a writer's truth always starts with an emotion and almost all forms of writing contain at least a trace of emotional DNA. This book shows teachers how to align emotion with subject matter and it offers them lessons and projects from challenging writing exercises to larger projects such as memoir, research reports, and editorials that resonate with young authors. While *Keys to Inspiration* focuses sharply on content, it contains an instructive mechanics section and an Appendix of unique word lists, emotion-related words, themed spelling lists, and alternatives to "went" and "said" to name a few, as well as a few grammar worksheets. Once motivated young authors must learn to describe with detail, meddle with metaphor, and mind their mechanics. Veteran writing instructor Steve Ford offers many lessons and exercises that will polish students' narrative skills, and he alerts teachers to the common spelling, punctuation, and grammar mistakes that young writers need to learn to avoid.

America's Failing Schools W. James Popham, 2004-08-02 No Child Left Behind, signed into law by President Bush in January 2002, is the most significant education legislation in decades. It calls for substantially expanded student testing, more stringent accountability requirements, and annual school-focused report cards at the state, district, and school levels. Despite the fact that it affects schooling at every possible level, few people understand its implications or reach. In *America's Failing Schools*, Popham sets the record straight for teachers, students, and parents alike. In clear, accessible language, the book explains the relevant
