Napoleon III (Emperor of the French),1852 *The History of Napoleon III, Emperor of the French* John S. C. Abbott,2015-07-26 Excerpt from The History of Napoleon III Emperor of the French Including a Brief Narrative of All the Most Important Events Which Have Occurred in Europe Since the Fall of Napoleon I Until the Present Time In writing the history of the establishment of the French Empire under Napoleon I and its overthrow by the allied dynasties of Europe the author spent four years of severe labor Fully aware that the judgment of America upon these themes had been formed mainly from the representations of the Tory writers of England and that Napoleon had been denounced as a tyrant and a usurper by nearly the uncontradicted voice of English literature the writer felt the necessity of scrupulous exactness in every statement He visited England and the Continent to collect the works of all the leading writers upon the subject 1 le endeavored carefully and impartially to examine upon every point the opinions of the different parties Few books have been more severely assailed and yet the writer is not aware that a single error of statement has yet been pointed out calling for correction In now writing the history of the restoration of the empire under Napoleon III the writer has been equally laborious in investigation and conscientious in statement From the commencement of the restored empire in 1852 until the present time he has carefully studied all its movements Twice he has visited France to observe the practical

operations of the government He has conversed with distinguished French gentlemen of the different political and religious parties and has carefully listened to the observations of intelligent foreigners from the different nationalities of Europe and America residing in Paris He has also collected from London and Paris every book and pamphlet he could find upon the subject of the empire whether from the pen of friend or foe Thus furnished he has written this book with as honest and earnest a desire to present the truth as it is possible for him to possess It has been his great aim that every statement should be so accurate as to stand the test of the severest scrutiny Being himself a republican he is not in danger of being biased in favor of imperial forms Being a Protestant clergyman he is not liable to look with too favorable an eye upon the Roman Catholic religion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
