Representing the Rainbow in Young Adult

Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don t always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In Representing the Rainbow in Young Adult Literature LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of The Heart Has Its Reasons this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are

wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities Representing the Rainbow in Young Adult Literature is an invaluable resource for young people eager to read about books relevant to them and their lives

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Objective First For Schools Practice Test Booklet with Answers and Audio CD Helen Chilton, Helen Tiliouine, 2011-09-15 The Cambridge English First for Schools exam has the same format and level as the existing First Certificate in English exam but the content and treatment of topics are targeted at younger learners The Objective First for Schools Practice Test Booklet with answers provides two complete practice tests for the First for Schools exam The accompanying Audio CD contains the recorded material for the listening component of the practice tests It is an ideal supplement to any First Certificate level material for those who would like to familiarise themselves with the format of the First for Schools exam

Out of the Pocket Bill Konigsberg, 2008 As Bobby Framingham quarterback of his high school football team finally acknowledges to himself that he is gay events start to spin out of control when his sexual orientation is revealed in the student newspaper and then in the local press and he learns that his father has cancer
