Mentoring Preservice Teachers Through Practice Melissa Mosley Wetzel,James V. Hoffman,Beth Maloch,2017-05-08 Supporting and challenging cooperating teachers to grow in their mentoring and coaching practices with preservice teachers and also in their own work as classroom teachers this practical guide presents and illustrates the Coaching with CARE model a framework for reflection and action that helps cultivate a perspective on teaching that puts students at the center of teacher preparation and places value on apprenticeship and participation in learning The CARE model takes a turn away from traditional evaluation based training approaches offering a way for cooperating teachers and facilitators and university teacher educators who work with them to come together to shape innovative coaching and mentoring experiences for preservice teachers Mentoring Preservice Teachers Through Practice building on the authors own work with cooperating teachers is based on the most recent research on learning to teach and supporting preservice teachers and grounded in the realities of teacher education today Each chapter includes questions for discussion and suggested readings that can be used to explore the focus of the chapter more deeply as well as relevant

research reports published by the authors *The Noun Phrase in English* Alex Ho-Cheong Leung, Wim van der Wurff, 2018-06-18 Building on a substantial earlier literature the chapters in this volume further advance knowledge and understanding of properties of the noun phrase in English The empirical material for the papers includes both historical and present day data with the two often shedding light on each other in a process of mutual illumination The topics addressed are the structure of nounless NPs like the poor and the obvious the article zero alternation in expressions like go to the church developments in the early history of adjective stacking the semantics of N clause units in present day English the history of N BE clause constructions and the decline of two anaphoric NPs in Early Modern English The volume will appeal to scholars working in this area and will also help those interested in the general field of English grammar to keep abreast of recent methods and results in NP related work **Louisa May Alcott** Harriet Reisen, 2010-10-25 PBS and HBO documentary scriptwriter Harriet Reisen reveals the extraordinary woman behind the beloved American classic as never before Louisa May Alcott is the perfect gift for fans of *Little Women* and of Greta Gerwig's adaptation starring Meryl Streep Emma Watson and Saoirse Ronan At last Louisa May Alcott has the biography that admirers of *Little Women* might have hoped for *The Wall Street Journal*'s 10 Best Books of the Year A fresh modern take on the remarkable Louisa May Alcott Harriet Reisen's vivid biography explores the author's life in the context of her works many of which are to some extent autobiographical Although Alcott secretly wrote pulp fiction harbored radical abolitionist views and served as a Civil War nurse her novels went on to sell more copies than those of Herman Melville and Henry James Stories and details culled from Alcott's journals together with revealing letters to family friends and publishers plus recollections of her famous contemporaries provide the basis for this lively account of the author's classic rags to riches tale *Lone Mothers, Paid Work and Gendered Moral Rationality* S. Duncan, R. Edwards, 1999-08-12 Why are most British lone mothers unemployed And is welfare to work the right sort of policy response This book provides an in depth analysis of how lone mothers negotiate the relationship between motherhood and paid work Combining qualitative and quantitative data it focuses on social capital in different neighbourhoods local labour markets and welfare states Criticising conventional economic theories of decision making it posits an alternative concept of gendered moral rationality and sets up new frameworks for understanding national policy differences and discourses about lone motherhood
