

Math Extended Response

Teacher Note: What's included?

- > 22 Math Extended Responses
- > Math Extended Response Rubric: One of my most proudest rubrics ever!
- > Mini-Math Extended Response Rubric: Notice that one page includes 2 mini-rubrics which is the one I use the most often since to save paper. ☺
- > Class Roster: I use this to keep documentation of student scores
- > "Why" starters handout
- > Math Extended Response graphic organizer: I use this in the beginning months to teach the steps. However, most standardize assessments don't allow for graphic organizers, so you will want to ease students from using the graphic organizer.

Enjoy!!!
