With its clear explanations, practical examples and student friendly format, this e book is a valuable companion for students pursuing a degree in business management. *Police Leadership as Practice* Cathrine Filstad, 2022-02-27 Police Leadership as Practice applies a leadership as practice approach emphasising leader employee relationships to law enforcement. This book provides a progressive and collaborative leadership text for students of law enforcement as well as insights into leadership dynamics in all organisations for students and researchers of business and management. The police leadership as practice perspective provides a holistic understanding of leadership in the police, identifying factors that inhibit and promote learning. It refers to four main components as dynamic and continuously evolving processes: Strategies, social mission and organisation, along with strategies as practice, Community, organisational and police culture, identity and belonging, community of practice and competencies, Participation, sense making and discretion, power and politics, Activities, learning as practice, change and change management as practice. Practical and enriched with case studies, examples and best practice, the textbook is also rigorously research based. Authored by a professor of business and management with specialist knowledge in police leadership, it brings the cutting edge of leadership thinking to the practicalities of policing. It is essential reading for those engaged with policing leadership roles and management. **Institutional Money Management** David M. Smith, Hany A.
