

Are Social Networking Sites Good for Our Society?

Are social networking sites good for our society? Specific Purpose: In today's lifestyle, it is admitted that Social Network Sites bring convenience, efficiency, fast, speed and width for adolescents' interpersonal relationship development, but some people don't know it also brings many negative impacts that social networking sites. Central Idea: Social networking sites have a negative influence on children, teenagers and adults. This paper will demonstrate that social networking sites do cause more harm than good. Introduction:

A social networking site can be defined as an online service that is based around the building and reflecting of social relations among individuals with common interests or social ties. Social networking sites such as Face book, Friendster, Tribe. net, MySpace and Twitter all vary slightly, but the one main feature they have is that they enable users to create a profile within the website to represent themselves and allows users to interact through email, instant messaging and other integrated communication channels within the site.

The popularity and growth of social networking sites over the past five years has been colossal, as many people from all over the world join up to this social phenomenon for varied reasons. Today, there are more than 500 million active users on face book and users spend over 700 billion minutes per month on this social networking site (Facebook, 2012). As the technology of Web 2. 0 improves and advances, social networking sites have an even bigger impact on society and human relationships, both positive and negative.

I'm going discuss the three main reasons why social networking sites bring many negative impacts pose on today's media savvy generation. I. Identity theft. A. Identity theft has become a result of the rapid expansion. 1. Total of 810,000 Australians of personal fraud in or identity theft in 2008" (Australian Bureau of Statistics, 2008). B. Sites such as MySpace, Facebook and Twitter identity theft in two mains Ways. 1. The first being is that sites encourage you to "edit our profile". Users share a variety of information about themselves on their Facebook profiles. 2. The second main issue is the privacy settings on these social networking sites also help personal fraud. II. The weakening of strong ties and isolation. A. The way we communicate with our peers and with strangers over the internet are changing. 1. Weakening our strong ties and also bring about physical social isolation

Writing Instruction for

Generation 2.0 Gloria E. Jacobs, 2011-01-16 Writing Instruction for Generation 2.0 addresses many of the concerns teachers have about the impact of the digital world on student writing and suggests ways for teachers to approach these issues within a 21st century literacies framework. This book is not about teaching the writing process, running a writing workshop, or using specific digital tools to support writing instruction. Forward-thinking teachers who wish to understand the 21st century literacies, understand what youth are doing in respect to those literacies, and discover how they can apply this knowledge to classroom instruction will find answers to their questions. The chapters include specific suggestions, but those suggestions are meant as a jumping-off point for imaginative and innovative teachers to adapt to meet the specific needs of students in their classrooms.

My View, My Voice, Levels 6-8 Rebekah Coleman, Carolyn Greenberg, 2018-04-02 This classroom resource provides teachers with a strong foundation in the elements of persuasive writing. In the 21st century classroom, the skills and strategies required to effectively evaluate and compose opinions has never been greater. This book discusses why teaching persuasive writing is relevant and beneficial to the target age groups and includes resources to help grades 6-8 students examine multiple views on a topic and write their own informed, effective opinions and arguments. Persuasive writing provides students with an avenue to examine a topic, develop informed views, express their opinions, and defend their ideas with logical, evidence-based reasoning. This resource takes a unique approach to the topic of teaching persuasive writing with an effective combination of tips, strategies, and resources. With mentor texts, student writing samples, rubrics, lesson plans, and questions to assess professional growth at the end of each section, teachers will learn why persuasive writing is so important in today's classrooms and how to tackle the challenge of teaching it. This book includes 21 persuasive writing strategies, 10 lesson plans, student writing samples, mentor texts, and anchor charts.

A Textbook of

Grammar and Writing Skills K. Thomas Baby, 2025-04-27 This textbook presents a unique version of simplified English grammar that is easily understood by the average EFL student who struggles with the complex explanations found in standard grammar books prescribed for undergraduate students. Moreover, many prescribed grammar textbooks often lack sufficient practice materials and overlook certain seemingly trivial aspects of language that are crucial for language acquisition. Therefore, this book is specifically designed to address these challenges by shifting from traditional rule-based grammar learning to a cognitive approach that identifies patterns of correct sentence structure. This method makes grammar instruction easier and more engaging for the average student. Additionally, the book includes dedicated sections on summarizing, paraphrasing, and essay writing activities aimed at developing the writing skills of students at varying language levels by providing suitable practice materials. *Political Rhetoric, Social Media, and American Presidential Campaigns*
