Bournemouth Borough Council

Friday 29th September 2017

Dear Mr Payne,

We are writing to you to express our concern about the way in which you have been disposing of materials at your school. Having observed the way in which you use your bins, we are devastated to report that you have been misusing your recycling bins. Our observations have found that many non-recyclable materials (e.g. wet paper towels, fruit peelings, crisp packets) have been found in your recycling bins. This has meant that it takes longer to sort your recycling, costing valuable time, money and resources. In some cases, recyclable materials have been ruined because of the carelessness of St James' staff and pupils who have got the recycling wet. We have also noticed that you have been throwing recyclable plastic materials into your landfill waste and therefore these will pollute our earth for millions of years in the future.

We hope you can appreciate that our findings are very concerning. I have met with the Bournemouth Borough Council Recycling Committee, who are also very worried about the state of recycling at St James' school. We have decided that if you cannot recycle responsibly, we will take away your recycling bins until you can prove you understand the importance of recycling to the health and safety of our planet. We will continue to observe how you use your bins over the coming weeks and a decision will be made in due course.

We hope you and your team can work together to resolve this issue.

Yours Faithfully,

Mr P. B. B. Carter
