Beginning Writing Lab Nancy Atlee, 2005 Educational title for gifted and advanced learners Writing Lab Nancy Atlee, 2005 Educational title for gifted and advanced learners Persuasive Communication and Drug Abuse Prevention Lewis Donohew, Howard E. Sypher, William J. Bukoski, 2012-12-06 The history of drug abuse prevention campaigns suggests limitations in producing measurable changes in behavior In the past there was concern over the possibility of such publicity actually encouraging interest in drug use rather than discouraging such behavior Although little or no scientifically sound empirical evidence has been found to support such a view several social science textbooks still refer to this as something of which to be wary Reviews of early research appear to indicate inadequate methods and a lack of rigor in theory testing In recent years however research in communication and its uses in drug abuse prevention has become considerably more sophisticated and communication is being used far more effectively In this book the editors bring together some of the most successful drug abuse prevention researchers in the country along with other experts in this field or in persuasive communication to address use and effects of both mass media and interpersonal strategies This collection illustrates just how far the study of public influence through mass media has come especially regarding such a vital relevant issue as drug abuse prevention **Parallel Curriculum Units for Language Arts, Grades 6-12** Jeanne H. Purcell, Jann H. Leppien, 2009-08-25 The Parallel Curriculum Model PCM holds the power to help students and teachers see the whole of what they are learning We invite practitioners to read more about this model and join us on a professional journey that we believe will yield that joy and wisdom that comes from seeing the whole To address the varying needs of teachers across the K 12 grade span as well as different content areas we decided to create a series of curriculum units based on PCM that could be used by practitioners It is our hope that the lessons not only underscore important and discipline specific content but also illuminate the four parallels in unique and enduring ways From the Introduction Design exemplary language arts lessons based on the Parallel Curriculum Model Want to create rigorous learning opportunities for students in language arts based on a deeper understanding of pedagogy and curriculum design As demonstrated in the best selling book *The Parallel Curriculum* the Parallel Curriculum Model PCM allows teachers to determine student performance levels and design intellectual challenges that help students develop expertise in specific subject areas *Parallel Curriculum Units for Language Arts Grades 6 12* provides sample language arts units written by practicing teachers to demonstrate what high quality curriculum looks like within a PCM framework Covering a variety of topics including narrative voice literary criticism and writing original pieces these field tested units each contain Teacher rationales explaining the unit design Connections to concepts skills and national or state standards Step by step directions for delivering the lessons and unit Modification strategies assessments and reproducibles Use these examples to design your own units and deepen your understanding of how the PCM framework helps tailor curriculum to the abilities interests and learning preferences of each learner **Mastering Essay Writing** Serdar
