social constraints and fear of an all consuming love that threatens to engulf her independent spirit send Juliet fleeing to the distant land where she was raised as a diplomat's child. Now a dozen years later a gentleman's promise sends Lord Ross on a dangerous rescue mission to Central Asia and to a shocking reunion with his long estranged wife. Warily they join forces to cross the merciless desert to Bokhara where Juliet's army officer brother has been imprisoned. The fierce attraction that drew them together so many years before has never died. But if they succumb to passion can either of them survive if they cannot heal their broken marriage. *Silk and Secrets* fulfills every dream of your heart every yearning of your soul as a pair of memorable lovers find their way back to each other's arms. This remarkable novel of high adventure and unquenchable love is a stunning reading experience one you will remember and cherish forever. *Romantic Times*. Sheer brilliance. *Silk and Secrets* historical vibrancy and vitality bring to mind Dorothy Dunnett with a dash of Indiana Jones. Ms. Putney's descriptions convey both the romanticism and the harshness of the dunes and their nomads. Traveling with a desert caravan Ross and Juliet talk and fight and laugh sometimes as the only way out of a tight spot and I loved every word of it. I also loved Ross a Lawrence of Arabia oh heavens Peter O Toole sans homosexuality crossed with Francis Crawford sans self destructiveness a true gentleman and super super hot. And Juliet was such a vital complex woman proud but not blinkered hot tempered but not TSTL and humorous to boot that damned if I didn't wish she were a my friend b running for president. Desert Island Keeper. The Silk Trilogy Book 1 *Silk and Shadows* Book 2 *Silk and Secrets* Book 3 *Veils of Silk* [Mad, Bad, and Dangerous To Know](#) Mary Jo Putney, He was going to be hanged on Tuesday. English born Andrew Kane had enjoyed the adventurous life of a gambler in the Wild West but after winning a ranch in Colorado he was ready to settle down. Then his attempt to protect a young tavern girl led to a shoot out and a wrongful conviction for murder. On his journey to the gallows he meets despairing young widow Eliza Holden who intervenes when he's being beaten by his guards. Together they find comfort and a stunning sense of connection. Can Eliza create a Christmas miracle for them both. Praise from readers. The main characters have personal struggles which they approach with grit and honor. Of course the love and peace of the Christmas season helps them resolve and love. I really liked the story set in the West especially because there are so few good stories set there. This was a really unique and memorable romance and much different than anything I've read from MJP before. It contains some serious subject matter just be aware that it's not a light and easy read. *Uncommon Vows* Mary Jo Putney, 2014-06-11. An uncommon love story. Wrenched from a monastery before taking final vows Adrian de Lancey's fighting skill wins him an earldom. Fierce discipline masters his darker nature until he finds a winsome slip of a girl lost in his forest an illegal falcon on her wrist. Encountering the ice blond warrior Earl of Shropshire Meriel de Vere knows his dangerous reputation and hides her identity to protect her brother's estate from the enemy earl. She does not expect to be arrested. Still less does she expect such a great lord to want her as his mistress. Her passionate need for freedom clashes disastrously with his obsession with his enchanting captive. Given a second chance to properly woo Meriel can Adrian learn tenderness. Will the two of them claim

lasting happiness or will they lose all to a brutal sworn enemy Praise for Uncommon Vows Uncommon Vows is my favorite among Mary Jo Putney's books Few authors can pull off a medieval backdrop without stripping the era of its darkness or allowing its dramatic historical politics to overshadow the romance but Putney makes it seem effortless The result is some of her strongest and most inspired writing A romance that definitely qualifies as uncommon All About Romance A wondrous tale brimming with adventure intrigue and memorable romance Romantic Times The Bride Trilogy The Wild Child 1 The China Bride 2 The Bartered Bride 3 Uncommon Vows A medieval prequel to the Bride Trilogy **Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of Romance Fiction A Guide to the Genre published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have Dark Angel V.C.
