Peter Pan Must Die A Novel Dave Gurney 4:

Peter Pan Must Die (Dave Gurney, No. 4) John Verdon, 2014-07-01 In John Verdon's most sensationally twisty novel yet ingenious puzzle solver Dave Gurney brings his analytical brilliance to a shocking murder that couldn't have been committed the way the police say it was. The daunting task that confronts Gurney once the NYPD's top homicide cop determining the guilt or innocence of a woman already convicted of shooting her charismatic politician husband who was felled by a rifle bullet to the brain while delivering the eulogy at his own mother's funeral. Peeling back the layers Gurney quickly finds himself waging a dangerous battle of wits with a thoroughly corrupt investigator a disturbingly cordial mob boss a gorgeous young temptress and a bizarre assassin whose child-like appearance has earned him the nickname Peter Pan. Startling twists and turns occur in rapid fire sequence and soon Gurney is locked inside one of the darkest cases of his career one in which multiple murders are merely the deceptive surface under which rests a scaffolding of pure evil. Beneath the tangle of poisonous lies Gurney discovers that the truth is more shocking than anyone had imagined. And the identity of the villain at the mystery's center turns out to be the biggest shock of all.

Wolf Lake John Verdon, 2016-07-01 The fifth thriller in this bestselling series offers a complex engrossing mystery that will challenge what you believe about the banality of evil. Tod Goldberg author of *Gangsterland* Retired homicide detective Dave Gurney visits a spooky Adirondack inn to investigate 4 terrifying but seemingly unrelated deaths. Could a nightmare be used as a murder weapon? That's the provocative question confronting retired homicide detective Dave Gurney. Four people scattered across the country and with little in common report having the same dream a terrifying nightmare involving a bloody dagger with a carved wolf's head on the handle. All four are subsequently found with their wrists cut apparent suicides by none other than the weapon they dreamt of. Troubled by odd holes in the police's official approach to the case Gurney begins his own investigation an action that puts him and his beloved wife Madeline in the crosshairs of an icy murderer the local police and the darkest corner of the federal government. As a ruthless blizzard traps him in a spooky Adirondack inn called Wolf Lake Lodge Gurney must throw himself into a deadly battle of wits with the most frightening opponent he has ever faced. *Wolf Lake* is another page turning thriller by a writer hailed by the New York Times as masterly and reunites readers with Dave Gurney a detective cut from the same cloth as Sherlock Holmes.
