

Peterbilt 359 Conventional

Der Peterbilt 359 Conventional ist der Truck, der einem zuerst einfällt, wenn man an amerikanische LKW denkt. Seine Langlebigkeit und wenige optische Veränderungen führten seit Mitte der 60er Jahre zu einer allgegenwärtigen Präsenz dieses Trucks auf den Highways. Die Besitzer, oft allein operierende Fahrer, setzten alles daran, ihren Truck zum Besten zu machen, was man haben konnte. Starke Motoren von Caterpillar, Cummins oder Detroit Diesel mit bis zu 600 PS, das leichte Aluminium für Kabine, Motorhaube und Felgen, verchromte Auspufftöpfe, Tanks und Stoßstangen ließen jeden Truck zu seinem individuellen „King of the Road“ werden. Da hatte man auf den langen Fahrten von „Coast to Coast“ sein eigenes Heim dabei und konnte sich unabhängig fühlen. Der Traum vom „American way of drive“ hieß und heißt seit Jahrzehnten Peterbilt 359 Conventional.

Peterbilt 359 Conventional

When one thinks of American trucks the Peterbilt 359 Conventional is the first one that comes to mind. Their durability combined with a virtually unchanged appearance has led to a universal presence of these trucks on American highways since the mid-60s. The owners, often drivers operating alone did everything they could to turn their truck into the best thing that a man could own. Powerful engines from Caterpillar, Cummins or Detroit Diesel with up to 600 bhp, lightweight aluminium cab, bonnet and rims, chromed exhausts, fuel tanks and bumpers turned each trucker into his very own "King of the Road". On the long "Coast to Coast" journeys he has his own "home" with him which gives him a feeling of total independence. The dream of the "American way of drive" has for decades been, and still is the Peterbilt 359 Conventional.
