,1867 **Mao's Little Red Book** Alexander C. Cook,2014-03-06 Mao Zedong's Little Red Book Quotations from Chairman Mao a compilation of the Chinese leader's speeches and writings is one of the most visible and ubiquitous symbols of twentieth century radicalism Published for the first time in 1964 it rapidly became the must have accessory for Red Guards and revolutionaries from Berkeley to Bamako Yet despite its worldwide circulation and enduring presence there has until now been no serious scholarly effort to understand this seminal text as a global historical phenomenon Mao's Little Red Book brings together a range of innovative scholars from around the world to explore the fascinating variety of uses and forms that Mao's Quotations has taken from rhetoric art and song to talisman badge and weapon The authors of this pioneering volume use Mao's Quotations as a medium through which to re-examine the history of the twentieth century world challenging established ideas about the book to reveal its remarkable global impact **Nominations Before the Senate Armed Services Committee, Second Session, 102d Congress** United States.
