Milwaukee (Wis.), 1892 **Document Retrieval Index**, 1976 Police Integrity in South Africa Sanja Kutnjak Ivkovich, Adri Sauerman, 2020-04-29 Policing in South Africa has gained notoriety through its extensive history of oppressive law enforcement In 1994 as the country's apartheid system was replaced with a democratic order the new government faced the significant challenge of transforming the South African police force into a democratic police agency the South African Police Service SAPS that would provide unbiased policing to all the country's people More than two decades since the initiation of the reforms it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity This book offers a unique perspective by providing in depth analyses of police integrity in South Africa It is a case study that systematically and empirically explores the contours of police integrity in a young democracy Using the organizational theory of police integrity the book analyzes the complex set of historical legal political social and economic circumstances shaping police integrity A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers probing their familiarity with official rules their expectations of discipline within the SAPS and their willingness to report misconduct The book also examines the influence of the respondents' race gender and supervisory status on police integrity Written in a clear and direct style this book will appeal to students and scholars of criminology policing sociology political science as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations Policing and Boundaries in a Violent Society Guy Lamb, 2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work

and police militarization **Governing through Crime in South Africa** Gail Super, 2016-04-22 This book deals with the historic transition to democracy in South Africa and its impact upon crime and punishment It examines how the problem of crime has emerged as a major issue to be governed in post apartheid South Africa Having undergone a dramatic transition from authoritarianism to democracy from a white minority to black majority government South Africa provides rich material on the role that political authority and challenges to it play in the construction of crime and criminality As such the study is about the socio cultural and political significance of crime and punishment in the context of a change of regime The work uses the South African case study to examine a question of wider interest namely the politics of punishment and race in neoliberalizing regimes It provides interesting and illuminating empirical material to the broader debate on crime control in post welfare neoliberalizing post transition polities List of Serials in the University of California Library University of California, Berkeley.
