**American Book Publishing Record**, 2005 Revolution and the Millennium James F. Rinehart, 1997-10-30 An interdisciplinary cross cultural cross historical analysis of three 20th century non Western revolutionary societies China Mexico and Iran that were profoundly impinged upon by European and American imperialism The study explores the role of apocalyptic beliefs in radical movements bent on sociopolitical transformation It concludes that millennial expectations performed important and similar preparatory leadership and therapeutic functions in each case Millenarian movements are powerful and emotional social movements that

expect an immediate collective total this worldly supernatural salvation and transformation of society They anticipate the complete destruction of the existing sociopolitical and economic order which they assert will be followed by a new and perfect society This study provides an interdisciplinary cross cultural cross historical analysis of three 20th century non Western revolutionary societies that were profoundly impinged upon by European and American imperialism It seeks to explore the functional role of millenarianism in these three revolutions In all three cases millenarianism prepared the way for revolutionary transformation It acted as a catalyst for action among that group of the most ardent revolutionists who were willing to pay any price to achieve what they were convinced was the inevitable goal of a utopian society Millenarianism created the potential for charismatic leadership to emerge It functioned as a doctrinal platform that awaited the opportunity to elevate a prophetic revolutionary leader to take control Finally millenarianism performed a therapeutic identity and cathartic function by providing the doctrinal foundation and an effective organization for a social healing process to take place A challenge to conventional arguments on the origins and outcomes of revolutions this study will be of great interest to scholars and researchers in comparative politics sociology and religion **American Political Ideologies** Brian R.
