

The Politically Incorrect Guide™ to the **CIVIL WAR**

A part of the bestselling P.I.G. series

You think you know about the Civil War, but did you know:

- ✦ That secession was legal?
- ✦ That the Emancipation Proclamation did not free a single slave
- ✦ That the South had the moral high ground in the war (and the editorial support of the Vatican's own newspaper)
- ✦ That Robert E. Lee and Jefferson Davis thought slavery would fade away naturally
- ✦ That if the South had won, we might be able to enjoy holidays in the sunny Southern state of Cuba?

The Politically Incorrect Guide to Socialism Kevin Williamson, 2011-01-10 Argues that the same impulse for control that governed the Soviet Union is present in the American health care and educational systems and that socialism can never work because of human nature

The Politically Incorrect Guide to Economics Thomas J. DiLorenzo, 2022-08-16 Another entry in the best selling irreverent hard hitting Politically Incorrect Guide series Economics from a rational conservative viewpoint that is a refreshing look at how money actually works from an author who knows the score and how the law of economics are frequently broken and derailed by pernicious leftists and virtue signalling progressives

The Politically Incorrect Guide to the Presidents Steven F. Hayward, 2012-02-13 Argues that the United States presidents of the past hundred years have actively sought to undermine the Constitution and their constitutional responsibilities and analyzes each presidency based on their adherence to the Constitution

Politically Incorrect Guide to Real American Heroes Brion McClanahan, 2012-11-12 As presidential candidates sling dirt at each other America desperately needs a few real heroes Tragically liberal historians and educators have virtually erased traditional American heroes from history According to the Left the Founding Fathers were not noble architects of America but selfish demagogues And self made entrepreneurs like Rockefeller were robber barons and corporate polluters Instead of honoring great men from America s past kids today now idolize rock stars pro athletes and Hollywood celebrities In his new book *The Politically Incorrect Guide to Real American Heroes* author Brion McClanahan rescues the legendary deeds of the greatest Americans and shows why we ought to venerate heroes like Captain John Smith adventurer Daniel Boone General Robert E Lee and many more *The Politically Incorrect Guide to Real American Heroes* not only resuscitates America s forgotten heroes but sheds light on the Left s most cherished figures including Franklin Delano Roosevelt and the Kennedys With biting wit and devastating detail McClanahan strikes back against the multicultural narrative peddled by liberal historians who make heroes out of pop culture icons and corrupt politicians In America s hour of peril McClanahan s book is a timely and entertaining call to remember the heritage of this great nation and the heroes who built it

Politically Incorrect Guide to English and American Literature Elizabeth Kantor, 2006-11-13 What PC English professors don t want you to learn from Beowulf If we don t admire heroes there s something wrong with us Chaucer Chivalry has contributed enormously to women s happiness Shakespeare Some choices are inherently destructive it s just built into the nature of things Milton Our intellectual freedoms are Christian not anti Christian in origin Jane Austen Most men would be improved if they were more patriarchal than they actually are Dickens Reformers can do more harm than the injustices they set out to reform T S Eliot Tradition is necessary to culture Flannery O Connor Even modern American liberals aren t immune to original sin

Politically Incorrect Guide to the Presidents, Part 2 Steven F. Hayward, 2017-01-09 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Politically Incorrect Guide to Communism** Paul Kengor, 2017-10-02 A brand new installment of the beloved Politically Incorrect Guide series The Politically Incorrect Guide to Communism is a fearless critique of freedom's greatest ideological adversary past and present

Politically Incorrect Guide to Catholicism John Zmirak, 2016-09-26 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country *Politically Incorrect Guide to Immigration* John Zmirak, Al Perrotta, 2018-05-21 America's immigration crisis is out of control Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In The Politically Incorrect Guide to Immigration authors John Zmirak and Al Perrotta debunk the Left's most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation's future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real solutions to the immigration crisis America faces The Politically Incorrect Guide to Immigration equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in The Politically Incorrect Guide to Immigration you'll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn't make it in America went back home The percent of foreign born in the United States today is the highest since World War I and this time we're not doing Americanization After Reagan's 1986 Amnesty the illegal population went from 3.2 million to 11 million Over 700,000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States *Politically Incorrect Guide to American History* Thomas E. Woods, 2004-01-04 The problem in America isn't so much what people don't know the problem is what people think they know that just ain't so Thomas E Woods Most Americans trust that their history professors and high school teachers will give students honest and accurate information The Politically Incorrect Guide to American History makes it quite clear that liberal professors have misinformed our children for generations Professor Thomas E Woods Jr takes on the

most controversial moments of American history and exposes how history books are merely a series of clichés drafted by academics who are heavily biased against God, democracy, patriotism, capitalism, and most American family values. Woods reveals the truth behind many of today's prominent myths: MYTH: The First Amendment prohibits school prayer. MYTH: The New Deal created great prosperity. MYTH: What the Supreme Court says goes. From the real American revolutionaries to the reality of labor unions, *The Politically Incorrect Guide to American History* is all you need for the truth about America: objective and unvarnished.

The Politically Incorrect Guide to Climate Change Marc Morano, 2018-02-26 Updated to include new section on the Green New Deal. The climate scare ends with this book. SEAN HANNITY: This book arms every citizen with a comprehensive dossier on just how science, economics, and politics have been distorted and corrupted in the name of saving the planet. MARK LEVIN: Less freedom. More regulation. Higher costs. Make no mistake: those are the surefire consequences of the modern global warming campaign waged by political and cultural elites who have long ago abandoned fact-based science for dramatic fearmongering in order to push increased central planning. *The Politically Incorrect Guide to Climate Change* gives a voice backed by statistics, real-life stories, and incontrovertible evidence to the millions of deplorable Americans skeptical about the multibillion-dollar climate change complex whose claims have time and time again been proven wrong.

The Politically Incorrect Guide to Darwinism And Intelligent Design Jonathan Wells, 2006-08-01 A non-technical analysis of the controversial culture war over Darwin versus intelligent design states that there is no irrefutable evidence supporting Darwinism; argues that Darwin-based theories that are taught in school are not fact-based and reveals how scientists at major universities believe in intelligent design. Original.

Politically Incorrect Guide to the Constitution Kevin Gutzman, 2007-06-11 The Constitution of the United States created a representative republic marked by federalism and the separation of powers. Yet numerous federal judges led by the Supreme Court have used the Constitution as a blank check to substitute their own views on hot-button issues such as abortion, capital punishment, and same-sex marriage for perfectly constitutional laws enacted by We the People through our elected representatives. Now *The Politically Incorrect Guide to the Constitution* shows that there is very little relationship between the Constitution as ratified by the thirteen original states more than two centuries ago and the constitutional law imposed upon us since then. Instead of the system of state-level decision makers and elected officials, the Constitution was intended to create judges; have given us a highly centralized system in which bureaucrats and appointed, not elected, officials make most of the important policies. In *The Politically Incorrect Guide to the Constitution*, Professor Kevin Gutzman explains how the Constitution was understood by the founders who wrote it and the people who ratified it. Follows the Supreme Court as it uses the fig leaf of the Constitution to cover its naked usurpation of the rights and powers the Constitution explicitly reserves to the states and to the people. Slid from the Constitution's republican federal government with its very limited powers to an un-republican judgeocracy with limitless powers. How the Fourteenth Amendment has been twisted to use the Bill of Rights as a check on state power instead of on

federal power as originally intended The radical inconsistency between constitutional law and the rule of law Contends that the judges who receive the most attention in history books are celebrated for acting against the Constitution rather than for it As Professor Gutzman shows constitutional law is supposed to apply the Constitution s plain meaning to prevent judges presidents and congresses from overstepping their authority If we want to return to the founding fathers vision of the Republic if we want the Constitution enforced in the way it was explained to the people at the time of its ratification then we have to overcome the received wisdom about what constitutional law is The Politically Incorrect Guide to the Constitution is an important step in that direction *Politically Incorrect Guide to Western Civilization* Anthony Esolen,2008-05-27

Everything you should know but PC professors won t teach about Western heritage Western civilization is the envy of the globe It has given to the world universally accepted understandings of human rights rooted in Judeo Christian principles created standards for art music and literature that have never been equaled and originated political and social systems that have spread all across the planet Political correctness now obscures these and other truths about Western civilization Leftists and Islamic jihadists find common cause in assailing Western colonialism imperialism and racism as its defining characteristics Guilt ridden Western leaders and public figures speak of their cultural patrimony in disparaging terms they would never dare to use about a non Western culture And in universities multicultural minded professors flatter students into believing they have nothing really to learn from Sophocles or Shakespeare But now Professor Anthony Esolen one of the team teachers of Providence College s esteemed Development of Western Civilization Core Curriculum has risen to the West s defense The Politically Incorrect Guide TM to Western Civilizationtakes on the prevailing liberal assumptions that make Western civilization the universal whipping boy for today s global problems and introduces you to the significant events individuals nations ideas and artistic achievements that make Western civilization the greatest the world has ever known Today defending the West has become an urgent imperative if we don t value what we have and what we have inherited we will surely lose it The Politically Incorrect Guide tm to Western Civilizationis an essential sourcebook for that defense

Politically Incorrect Guide to Jihad William Kilpatrick,2016-09-26 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **South Asian in the Mid-South** Iswari P.

Pandey,2015-11-11 In an age of global anxiety and suspicion South Asian immigrants juggle multiple cultural and literate traditions in Mid South America In this study Iswari P Pandey looks deeply into this community to track the migration of literacies showing how different meaning making practices are adapted and reconfigured for cross language relations and cross cultural understanding at sites as varied as a Hindu school a Hindu women s reading group Muslim men s and women s discussion groups formed soon after 9 11 and cross cultural presentations by these immigrants to the host communities and law enforcement agencies Through more than seventy interviews he reveals the migratory nature of literacies and the community work required to make these practices meaningful Pandey addresses critical questions about language and

cultural identity at a time of profound change He examines how symbolic resources are invented and reinvented and circulated and recirculated within and across communities the impact of English and new technologies on teaching learning and practicing ancestral languages and how gender and religious identifications shape these practices Overall the book offers a thorough examination of the ways individuals use interpretive powers for agency within their own communities and for cross cultural understanding in a globalizing world and what these practices mean for our understanding of that world

The National Review Politically Incorrect Reference Guide Frederick W. Campano,1993 The Vulgarization of Christ's Church Ronnie W. Rogers,2017-04-14 This book seeks to clarify and demonstrate the incalculable and injurious influence that progressive education has had and is having upon preaching thinking Christianly and the local church Progressive education began at the turn of the twentieth century replacing classical education with what is purportedly a science based education which necessarily results in scientism This seismic shift in public education has not only affected what we learn but how we think In order to enable the church to detect progressivism s deleterious sway and protect herself by being equipped with the progressive revelation of God and thereby counter the influence of progressive education of man I seek to highlight some of the underlying intolerable essentials of progressive education In the companion book to this one *The Equipping Church Somewhere Between Fundamentalism and Fluff* I explain the biblical model for the local church and how to build such a church *In the Name of Education* Jonas E. Alexis,2007 Alexis convincingly examines the crisis in education from a Christian perspective Social Issues

Politically Incorrect Guide Education Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politically Incorrect Guide Education has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politically Incorrect Guide Education has opened up a world of possibilities. Downloading Politically Incorrect Guide Education provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politically Incorrect Guide Education has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politically Incorrect Guide Education. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politically Incorrect Guide Education. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politically Incorrect Guide Education, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Politically Incorrect Guide Education has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
