 detective fiction canon **Francis Bacon in Your Blood** Michael Peppiatt, 2015-08-27 It is a story I have been wanting to
 write for a long time telling it as it really was before that whole world that I shared with Francis vanishes Michael Peppiatt
 met Francis Bacon in June 1963 in Soho s French House to request an interview for a student magazine that he was editing
 Bacon invited him to lunch and over oysters and Chablis they began a friendship and a no holds barred conversation that
 would continue until Bacon s death thirty years later Fascinated by the artist s brilliance and charisma Peppiatt accompanied

him on his nightly round of prodigious drinking from grand hotel to louche club and casino seeing all aspects of Bacon's gilded gutter life and meeting everybody around him from Lucian Freud and Sonia Orwell to East End thugs from predatory homosexuals to Andy Warhol and the Duke of Devonshire. He also frequently discussed painting with Bacon in his studio where only the artist's closest friends were ever admitted. The Soho photographer John Deakin who introduced the young student to the famous artist called Peppiatt Bacon's Boswell. Despite the chaos that Bacon created around him, Peppiatt managed to record scores of their conversations ranging over every aspect of life and art, love and death, the revelatory and hilarious as well as the poignantly tragic. Gradually Bacon became a kind of father figure for Peppiatt and the two men's lives grew closely intertwined. In this intimate and deliberately indiscreet account, Bacon is shown close up, grand and petty, tender and treacherous by turn and often quite unlike the myth that has grown up around him. This is a speaking portrait, a living likeness of the defining artist of our times. *Fur Trade Journal of Canada*, 1926. Today's Medical Assistant - E-Book
