Their brand development is tailor-made marketing. The marketing execution is completed by showing an picture of a friendly upscale holiday to appeal to most customers and providing individual attention and choice or selection. 2. Was Club Med's upmarket positioning the only one viable strategy?

Yes, upmarket positioning the only one viable strategy of Club Med because a luxury customer must have felt he was getting something truly special. Luxurious customers lose their unique value. The concept has been copied by competitors and is now the standard.

3. Do you think that Club Med takes a risk by not in specializing in a particular range level, such as 4 trident or 5 trident?

In my opinion, They in fact risk by not in specializing during a particular range level, like 4 trident or 5 trident. But on the other hand, they are implementing extraordinary high-end measures to meet the new needs and requirements of their customers.
